

January 2021 WhatsApp Minutes

[1/1/21, 4:54:06 PM] Jason Bain: Happy New Year guys!

Step 1 on my new rod holder. Just a mock up for the sides. Still playing with design and comfort/ease of use.

I remember my first kayak I paid 75\$ for, even though the guy was trying to give it to me for free, felt like was at least worth that.

Every time I get a new yak this is my favorite part. Learning how it fits YOU.

Never owned an outback so what yall think? Maybe a good article for the next Marsh & Bayou

[1/1/21, 5:36:55 PM] Jason Bain: image omitted

[1/1/21, 5:37:06 PM] Jason Bain: image omitted

[1/1/21, 5:38:03 PM] Josh Thompson: Nice! You should have lots of room now.

[1/1/21, 5:38:24 PM] Michael Ethridge : Heck yea that looks sweet

[1/1/21, 5:38:48 PM] Tyler Caldwell: We take volunteers for writing articles if you are interested, sounds like a good idea to me!

[1/1/21, 5:43:32 PM] Jason Bain: I wasn't saying me. But ill try.

[1/1/21, 5:59:16 PM] Tyler Caldwell: They have editors that rearrange stuff and make it look/sound good

[1/3/21, 6:49:37 PM] Tyler Caldwell: Do we have a proposed date for FNT? LKFC is meeting and scheduling their dates now and are trying to not schedule anything that weekend

[1/3/21, 6:54:10 PM] Tyler Caldwell: Plus our January article for marsh and bayou will include a calendar of 2021 events

[1/3/21, 7:03:29 PM] Michael Ethridge : Think everyone is Mia tonight. I will look and propose a date either Monday or Tuesday

[1/4/21, 5:01:56 PM] Sean Rastanis: My office just called me and said we got two boxes in. I think it must be our minimalist baits. I'll be by there Wednesday and will let you know

[1/4/21, 5:04:13 PM] Tyler Caldwell: I'll swing by there and take a peak 😊

[1/4/21, 5:04:32 PM] Sean Rastanis: Sure thing.

[1/4/21, 5:06:27 PM] Ian Gileski: Sweet!

[1/4/21, 5:36:06 PM] Ben Day: Great news

[1/4/21, 5:39:35 PM] Jonathon Carter: So what we got?

[1/4/21, 5:39:52 PM] Jason Bain: Yeah, what we got?? Lol

[1/4/21, 5:39:56 PM] Sean Rastanis: I hope baits

[1/4/21, 5:40:04 PM] Sean Rastanis: 🐟

[1/4/21, 5:47:45 PM] Ben Day: Se7ven top shelf bud lite 🍷

[1/4/21, 6:10:58 PM] Tyler Caldwell: Damn that's one way to get a ton of entries to try to win the free boat. Use the clubs money

[1/4/21, 6:14:23 PM] Ben Day: 😊

[1/4/21, 7:06:15 PM] Jonathon Carter: ?

[1/4/21, 7:08:27 PM] Tyler Caldwell: Screwing up your meeting minutes jon

[1/4/21, 7:08:33 PM] Tyler Caldwell: image omitted

[1/4/21, 7:14:03 PM] Ben Day: Watch out Brock Miller, new sheriff is in town 😊

[1/4/21, 7:19:41 PM] Michael Ethridge : So how would everyone feel about the 16th or 23rd of October for fallIntide?

[1/4/21, 7:20:45 PM] Sean Rastanis: 23. As far back away from hurricane season and also give the cooler weather a chance to come in

[1/4/21, 7:21:22 PM] Ian Gileski: 23rd is my vote too

[1/4/21, 7:26:24 PM] Tyler Caldwell: 16th, because I have something else I wanna do the 23rd weekend. But it is what it is lol. Josh's kiddo is getting married the 23rd weekend too I think

[1/4/21, 7:26:40 PM] Tyler Caldwell: Both personal reasons though. I'm good with either one

[1/4/21, 7:28:33 PM] Josh Thompson: 100% chance I won't make the 23rd
50% chance I won't make the 16th
I'm not going to vote unless a tiebreaker is needed.

[1/4/21, 7:29:53 PM] Michael Ethridge : Looking at solar lunar and tide charts now

[1/4/21, 7:34:30 PM] Jonathon Carter: This will be the Hobie worlds qualifier and along hwy1 right?

[1/4/21, 7:35:04 PM] Ian Gileski: Supposed to be..but guessing COVID status might affect it again

[1/4/21, 7:35:11 PM] Michael Ethridge : Looking at information we can find. I believe the 9th is gonna be the best weekend for fishing in October. Good tidal range and new moon is the 6th

[1/4/21, 7:36:51 PM] Jonathon Carter: 23rd for me

[1/4/21, 7:37:19 PM] Sean Rastanis: 9th is early.

[1/4/21, 7:37:20 PM] Michael Ethridge : I will call bridgeside tomorrow to see what their schedule is looking like

[1/4/21, 7:37:22 PM] Ian Gileski: I am good with any weekend in October

[1/4/21, 7:42:35 PM] Tyler Caldwell: I vote to go forward with qualifier, Covid or no Covid. We can adapt. So long as hobie allows anyways

[1/4/21, 7:42:50 PM] Sean Rastanis: Yeah. I agree

[1/4/21, 7:45:01 PM] Jonathon Carter: I agree with that, Hobie BOS did it well last year and we can too

[1/4/21, 7:45:10 PM] Michael Ethridge : 9th is the only day in October on the schedule for Isu. Home game with louisiana monroe

[1/4/21, 7:55:44 PM] Ben Day: What are the options for dates? Would early November be an option? Just curious

[1/4/21, 7:57:53 PM] Ben Day: Didn't the club do a championship in early December ?

[1/4/21, 7:59:37 PM] Tyler Caldwell: Hobie has no BOS events schedule in October at all, nor the first weekend in November. So no conflicts there to worry about

[1/4/21, 7:59:47 PM] Michael Ethridge : Honestly I feel like it's too early to put it to a vote yet. Dwf hasn't put out duck seasons yet and Isu hasn't even released their full schedule

[1/4/21, 8:00:10 PM] Ben Day: Saints haven't released schedule either

[1/4/21, 8:00:42 PM] Ben Day: I'm more worried about announcing tournament # 2 details

[1/4/21, 8:00:52 PM] Tyler Caldwell: Does football really affect turn out that much? I just never heard anyone say "damn I can't make paddlepaloosa because of the saints game".

[1/4/21, 8:01:08 PM] Tyler Caldwell: Fall n tide I mean

[1/4/21, 8:01:32 PM] Michael Ethridge : Haha was about to jump on you for that one

[1/4/21, 8:01:44 PM] Ben Day: Lmao same!!!

[1/4/21, 8:01:56 PM] Tyler Caldwell: Of course no one missed Paddlepaloosa for a saints game 🤔

[1/4/21, 8:02:07 PM] Ben Day: April football I'm down with it lol

[1/4/21, 8:02:39 PM] Sean Rastanis: Duck season really shouldn't affect Fnt

[1/4/21, 8:03:07 PM] Ben Day: I'd say hunting season is more of a factor, for me LSU & saints football is more of a family event that I don't often miss

[1/4/21, 8:03:49 PM] Tyler Caldwell: Need to think bigger picture for FNT I think. Sooner we announce it the better IMO. I want people coming in from all over the US and those people ain't worried about lsu or saints. But they may want to get it on their schedule early before they book something else that weekend

[1/4/21, 8:03:54 PM] Sean Rastanis: Yes and it snowed! December is a bad choice all around. Weather is iffy and people start getting some occupied with family commitments, office parties etc

[1/4/21, 8:04:02 PM] Ben Day: The only hunting date was opening day of rifle season for the championship for deer

[1/4/21, 8:04:56 PM] Tyler Caldwell: It's not just a weekend trip for some people who want to travel far away for it

[1/4/21, 8:04:58 PM] Josh Thompson: This right here! Michael proposed 2 dates. Why are we going off on a tangent?

[1/4/21, 8:05:15 PM] Tyler Caldwell: He proposed a 3rd after he looked at solar lunar

[1/4/21, 8:05:45 PM] Ben Day: That was a fluke year it literally hasn't snowed since, fishing early December has been great the last 2 years. If it gives us more options it's worth a gander

[1/4/21, 8:06:06 PM] Michael Ethridge : Couldnt find solar lunar forecast so had to look at tide charts and moon phase

[1/4/21, 8:07:05 PM] Michael Ethridge : Ok as td I'm gonna go ahead and axe the December discussion

[1/4/21, 8:08:38 PM] Ben Day: For fall n tide? Or the championship or both 😊

[1/4/21, 8:08:51 PM] Tyler Caldwell: Any weekend in October is fine by me. I'm fine with letting Michael/Bridgeside work it out. But I think we should have a date announced in the next week or two. Weather is a crap shoot no matter what we pick so a few weekends earlier in hurricane season doesn't bother me

[1/4/21, 8:09:08 PM] Michael Ethridge : Fallntide is the only one I have control of

[1/4/21, 8:12:44 PM] Ben Day: I was just thinking if you had an early November option for fall n tide and push the championship back to early December might help people that had conflicts in October they mentioned before

[1/4/21, 8:13:40 PM] Ben Day: We don't want josh to miss out!!!

[1/4/21, 8:17:54 PM] Josh Thompson: Y'all don't worry about me. TD has the responsibility of picking the dates. Can't make everyone's schedule work all the time.

[1/4/21, 8:18:45 PM] Ben Day: No board member left behind! 😊

[1/6/21, 8:21:36 PM] Sean Rastanis: 104 signed up for Minimalist! Slowly but surely.

[1/6/21, 8:22:26 PM] Sean Rastanis: Also we got the baits in for Minimalist. I think Ian and Ben did an excellent job. Lots of variety with size, color and style. Gonna be a lot of fun.

[1/6/21, 9:41:12 PM] Jonathon Carter: If I know Ben there's at least one curly tail somewhere in the mix lol

[1/6/21, 9:44:47 PM] Tyler Caldwell: Lol I can believe that

[1/6/21, 9:45:24 PM] Jonathon Carter: I'm hoping a whopper plopper is in the mix

[1/7/21, 6:13:13 AM] Ben Day: 🙌

[1/7/21, 4:23:08 PM] Jonathon Carter: Has bridgeside said anything about their covid protocols and if they would have a problem with us hosting our typical PP or FNT type event with the raffle?

[1/7/21, 4:46:11 PM] Jason Bain: Buggy and his wife are out of town. Michael is going to call them next week when they get back

[1/9/21, 11:42:28 AM] Sean Rastanis: Ok guys. Pain in the ass member being a pain in the ass. We have three launch locations. The question is whether they can pull their kayak across the road and launch somewhere else ie can they launch across from topwater. I said no but we are allowed to cross old hwy 1 after we launch from the public launch. What say y'all?

[1/9/21, 11:44:11 AM] Michael Ethridge : I say that as long as they're vehicle is parked at one of the 3 launches and they start there at launch time I dont care where they pull it with man power to launch

[1/9/21, 11:44:23 AM] Ian Gileski: I am ok with that...although were giving 3 places to fish...not sure why we need to allow any crossing of the road

[1/9/21, 11:48:05 AM] Sean Rastanis: Exactly

[1/9/21, 11:49:32 AM] Sean Rastanis: Josh what say you.

[1/9/21, 11:50:03 AM] Sean Rastanis: Were at 110 by the way. 25 spots left

[1/9/21, 11:55:43 AM] Ben Day: Why don't we just get 2 orange road cones and spray paint bckfc on them and mark the launch adjacent to topwater that should help safety concerns maybe?

[1/9/21, 11:58:45 AM] Tyler Caldwell: I'm good with them portaging wherever the hell they want so long as it's not by vehicle

[1/9/21, 11:59:40 AM] Sean Rastanis: What i hate is the fact that we are giving them three options to launch from but that's not good enough

[1/9/21, 11:59:53 AM] Tyler Caldwell: We allow people to launch wherever they want for paddlepalooza and those roadside launches get crowded and people park across the street and cross the street all the time.

[1/9/21, 12:01:32 PM] Sean Rastanis: True. But the whole point of minimalist is that we launch at the designated launch

[1/9/21, 12:02:18 PM] Ben Day: Everyone trying to get to them redbfish honey holes ☹️

[1/9/21, 12:07:57 PM] Michael Ethridge : Eh if it was a normal minimalist and somebody paddled to topwater then Portaged across the street would it be a problem?

[1/9/21, 12:08:35 PM] Josh Thompson: Sean, you and Ian are the directors of this tournament. Make the rules and I will stand with your decision.

[1/9/21, 12:09:41 PM] Jason Bain: I don't think we had that in the rules, so...

[1/9/21, 12:10:11 PM] Jason Bain: 🤔

[1/9/21, 12:10:45 PM] Sean Rastanis: Ok. Let me talk with Ian. This is such a strange situation I wanted to get everyone's input

[1/9/21, 12:22:55 PM] Tyler Caldwell: True, but he and other have been doing it for years at Minimalist apparently by what he told me so it would technically be a new rule or a rule change. Mc is usually our quickest selling event so I'm of the attitude "if it ain't broke then don't fix it". good with whatever y'all decide though!

[1/9/21, 12:24:53 PM] Jonathon Carter: They would walk their kayaks up to topwater from the Leeville launch?

[1/9/21, 12:24:58 PM] Jonathon Carter: Or peddle up there?

[1/9/21, 12:26:32 PM] Tyler Caldwell: He wouldn't tell me where they wanted To cross at. Could be old Hwy 1 for all I know

[1/9/21, 12:27:11 PM] Tyler Caldwell: He never said specifically where. He just said "is it allowed to portage over marsh or roadway" lol

[1/9/21, 12:27:12 PM] Jonathon Carter: I'd squash it and say no portaging

[1/9/21, 12:27:34 PM] Jonathon Carter: But that's also never been in our rules

[1/9/21, 12:27:47 PM] Ben Day: 29°16'05.7"N 90°13'12.3"W

<https://goo.gl/maps/UUq3twLtbmKBdphA6>

[1/9/21, 12:28:17 PM] Tyler Caldwell: I was sworn to secrecy on who asked but I'd say it's someone I respect the opinion of and not just some joe blow that just started fishing with us

[1/9/21, 12:29:40 PM] Jonathon Carter: In my mind a shotgun launch is everyone in the water leaving at the same time from the same place unless explicitly written like what we did for the championship at topwater last year

[1/9/21, 12:30:23 PM] Jonathon Carter: It was written in the rules to allow people to man power their kayak from the launch location

[1/9/21, 12:30:37 PM] Jonathon Carter: But I honestly don't care either way

[1/9/21, 1:41:51 PM] Sean Rastanis: Ian and I discussed this in detail. The history of minimalist has indicated that everyone my shotgun launch at that launch however, after they have launched they are allowed to portage to kayak wherever they choose.

[1/9/21, 1:42:23 PM] Sean Rastanis: So what we have decided is that everyone must launch at one of the three designated launches and leave the launch area. Once they have left the launch area they are free to portage their kayak across any street they want

[1/9/21, 1:42:50 PM] Sean Rastanis: I know some people may think this is a little silly however this is keeping in line with the minimalist tradition

[1/9/21, 1:44:46 PM] Ben Day: So basically you would have to insert kayak into the water at topwater, take it out the water after 30 secs and then cart it and roll it across the road?

[1/9/21, 1:45:34 PM] Sean Rastanis: Yes

[1/9/21, 1:45:43 PM] Sean Rastanis: GIF omitted

[1/9/21, 1:45:51 PM] Ben Day: Ok I'm tracking

[1/9/21, 1:48:25 PM] Sean Rastanis: I'll make an announcement later

[1/9/21, 1:48:45 PM] Ben Day: 👍

[1/9/21, 2:45:33 PM] Jonathon Carter: Sounds good

[1/9/21, 2:45:42 PM] Jonathon Carter: More power to them lol

[1/9/21, 3:03:47 PM] Ben Day: Wait, I thought you were doing the kayak shuffle with dan!? 😏

[1/9/21, 3:10:27 PM] Ian Gileski: Sean Rastanis...let's make it that they have to leave the launch area at any one of the three locations...you can Portage anywhere but one of the 3 launches...that , seems to me , to keep it in line with the history of MC.

[1/9/21, 3:10:37 PM] Jonathon Carter: Don't listen to what Dan says lol the prefishing I've done I haven't found crap

[1/9/21, 5:27:06 PM] Tyler Caldwell: 🤔

[1/10/21, 12:27:29 PM] Ben Day: 🤔

[1/11/21, 7:17:04 AM] Tyler Caldwell: Once work slows down I plan to start working on the new membership software. For now, we've been getting a lot of questions from people on how they can check to see if their membership is active. I've added a button to the top of the forum home page to hopefully help with this. Incase anyone questions y'all on it

[1/11/21, 7:17:10 AM] Tyler Caldwell: image omitted

[1/11/21, 7:18:05 AM] Josh Thompson: Nice!

[1/11/21, 7:19:09 AM] Ben Day: That's awesome, I think I was in a situation at one point having trouble finding that information myself

[1/11/21, 7:19:59 AM] Jonathon Carter: I doubt y'all care but I'll upload the December chat into the forum when I get in from offshore

[1/11/21, 7:20:05 AM] Jonathon Carter: Crew changing Wednesday

[1/11/21, 7:21:29 AM] Tyler Caldwell: Sounds good!

[1/11/21, 8:35:22 PM] Jonathon Carter: Are we changing the lure hand out part on the website for minimalist?

[1/11/21, 8:35:55 PM] Jonathon Carter: Didn't the FB post say Galliano inn only and only until 5am the day of?

[1/11/21, 8:36:54 PM] Ian Gileski: Yes it did...Tyler...can you fix the Website?

[1/11/21, 8:37:20 PM] Ian Gileski: Good catch Jonathon

[1/11/21, 8:37:52 PM] Jonathon Carter: Figured I should read through the rules at some point lol

[1/11/21, 8:37:59 PM] Jonathon Carter: Excited to prefish

[1/11/21, 9:07:37 PM] Ben Day: Yea I had to read through the rules a few times myself, also excited to prefish and not sleep in to noon this time 😊

[1/11/21, 9:28:29 PM] Tyler Caldwell: Yep! Hopefully that doesn't screw anyone up though. Maybe I'll send an email to everyone registered on TourneyX to clarify

[1/11/21, 9:28:58 PM] Tyler Caldwell: Hate for someone to not have noticed the change and be waiting at the launch for bait hand out sat morn.

[1/11/21, 9:30:42 PM] Jonathon Carter: That would be a great idea to remind everyone

[1/11/21, 9:33:50 PM] Tyler Caldwell: If there's any other highlights y'all think I should include in the email, let me know. I'll update rules and send it out tomorrow at work

[1/11/21, 9:39:42 PM] Ben Day: The basics, I've been asked so many times if corks & hooks are allowed and about the launching locations. Im guessing we got a lot of new people this year? I haven't looked at how many sign ups in a day or 2

[1/11/21, 9:47:59 PM] Tyler Caldwell: 113

[1/11/21, 9:48:52 PM] Ben Day: We close, once that wind finder forecast drops the rest of the spots should fill up im guessing

[1/12/21, 7:20:22 AM] Tyler Caldwell: Im going to start working on the new membership software this week. At some point I'll turn off new memberships on the forum and make announcement that if anyone needs to pay for a membership to contact me so I can manually collect and setup. I'm going to be importing all the usernames and existing memberships to the new software and don't want that information to be changing without me knowing once I start working with it. Just a heads up! Also Jason I used your credit card to purchase the software since mine hasn't come in yet

[1/12/21, 7:43:48 AM] Ben Day: ♡

[1/12/21, 7:48:47 AM] Jason Bain: Check your text

[1/12/21, 8:37:13 AM] Tyler Caldwell: Got nothin

[1/12/21, 8:40:52 AM] Tyler Caldwell: Opinion on making all new BCKFC club memberships auto renew instead of the option for just one year at a time?

Just thinking that most subscription services for Netflix, Spotify, etc all just do auto-renew with an option to cancel whenever you want. Seems like a way to maybe keep more revenue coming in for folks who don't realize their subscription expired and forget to renew it.

[1/12/21, 8:42:40 AM] Ian Gileski: I like it, actually had this thought myself...but figured this wasn't the time to bring it up, with the new website and minimalist etc.

[1/12/21, 8:43:19 AM] Ben Day: Great idea, makes sense to me

[1/12/21, 8:51:46 AM] Tyler Caldwell: And any brainstorming anyone may have on ways to make our club memberships more valuable. We need some reasons to become a club member outside of the tournaments.

One thing was from Michael about adding content to learn...safety (public), rigging, etc.

The member maps are great but very outdated.

Was mentioned by Ben or someone to get Jack and a couple people on board to do a fishing report section.

If we could get some of our major sponsors to provide us discount codes for club members that would be a good one.

[1/12/21, 8:59:34 AM] Tyler Caldwell: Always thought it'd be cool to mail some sort of "welcome pack" to new members with a sticker/shirt/buff or something but that's just adding more work on me or someone else

[1/12/21, 9:04:52 AM] Josh Thompson: Yep, that was something Big John brought up too, I believe. I would like to see that happen.

[1/12/21, 9:06:14 AM] Josh Thompson: We use to get discount codes from our sponsors. That would be great to start back up.

[1/12/21, 9:59:54 AM] Michael Ethridge : Honestly I feel like a revamping of the membership maps is long over due

[1/12/21, 10:12:51 AM] Tyler Caldwell: It could probably be done quickly if each board member was designated an area. Hwy 1, Hwy 23, St Bernard, PAC, etc

[1/12/21, 10:13:58 AM] Sean Rastanis: I could do hwy 23

[1/12/21, 10:19:54 AM] Tyler Caldwell: I'll look into some options on the best way to do this. It could all be done through Google Earth on the computer, and then have one .kmz file available for download to members only that would dump all the info into Google Earth on their computer. Mobile access would be nice too though

[1/12/21, 10:57:44 AM] Tyler Caldwell: Could just do it monthly maybe. New software will be easy to run a report and figure out who all signed up for month of January with address and shirt sizes and drop in the mail. We just gotta make sure that the cost of what we are sending doesn't offset the cost of the membership too much.

[1/12/21, 10:58:25 AM] Tyler Caldwell: Sorry for the walls of text guys, just excited for what we have planned this year!

[1/12/21, 11:09:03 AM] Sean Rastanis: Damn. TC getting excited about Bayou Coast again.

[1/12/21, 11:17:55 AM] Tyler Caldwell: I just get more excited about the nerdy tech stuff

[1/12/21, 11:26:10 AM] Ben Day: Jack is ready to start writing weekly reports for the website he was all pumped about that idea. Discount codes would be great, and I like the idea about updating map too!!! Great work tyler!!!

[1/12/21, 11:29:36 AM] Tyler Caldwell: We could also offer a "basic membership" which is what we have now, and then a "premium membership" for \$35-40 per year or something that includes a shirt, sticker, buff. To offset the cost. I'd pay more yearly if I got some gear with it each year

[1/12/21, 11:31:11 AM] Michael Ethridge : Yea I'm down for that

[1/12/21, 11:36:54 AM] Sean Rastanis: Didn't we talk about adding \$5 or \$10 to PP and fnt entry fee to non members

[1/12/21, 11:38:21 AM] Josh Thompson added Tommy Eubanks

[1/12/21, 11:38:56 AM] Josh Thompson: Hey guy's, lot's of information flowing on here. I just added Tommy to the chat.

[1/12/21, 11:40:00 AM] Ben Day: Yes! The outcry of stickers and shirts this year has been crazy. We really need this option

[1/12/21, 11:40:34 AM] Tyler Caldwell: Each year we could do a new simple design, similar to the championship shirt style, that way it keeps the cost down

[1/12/21, 11:40:47 AM] Tyler Caldwell: Just single color artwork or something

[1/12/21, 11:43:47 AM] Josh Thompson: We need to finish the Constitution and Bylaws. I

want to have a Zoom meeting @ 7:00pm on 1/25/21. Please print the Constitution and Bylaws. Make any markups you feel are needed. We will discuss and come up with a rough draft for review. Once approved by the Board, we will issue to the Members for a vote.

[1/12/21, 11:48:20 AM] Tyler Caldwell: 👍👍

[1/12/21, 12:00:59 PM] Josh Thompson: Tyler, MC looks like there are 22 spots open. Does this take free entries into account?

[1/12/21, 12:06:37 PM] Tyler Caldwell: 113 open, 22 available. = 135 right? I have Terry and Kalon signed up already so it should be

[1/12/21, 12:07:32 PM] Josh Thompson: 👍

[1/12/21, 12:12:51 PM] Tyler Caldwell: Incase it hasn't been mentioned to the new board members, part of the deal with Cabela's sponsorship is that their fishing team (aka Kalon and Terry) get free entry to our events

[1/12/21, 12:43:57 PM] Ian Gileski: Thanks Tyler...was actually just going to ask on that

[1/13/21, 8:30:40 AM] Tyler Caldwell: Anybody get my TourneyX email this morning?

[1/13/21, 8:30:55 AM] Sean Rastanis: I did

[1/13/21, 8:31:16 AM] Josh Thompson: Yep

[1/13/21, 8:32:36 AM] Tyler Caldwell: It didn't come to me for some reason

[1/13/21, 8:33:40 AM] Tommy Eubanks: I did not get it

[1/13/21, 8:36:01 AM] Jonathon Carter: Got it

[1/13/21, 8:36:38 AM] Michael Ethridge : I didnt but it might be the terrible wifi I have out here

[1/13/21, 8:36:53 AM] Tyler Caldwell: Maybe it's a slow process sending out to that many people

[1/13/21, 8:37:06 AM] Ian Gileski: Tyler...did you see the email I sent you last night? I'll check when I get a minute at work to see if I got the TourneyX email

[1/13/21, 8:38:10 AM] Jonathon Carter: Where you at Michael?

[1/13/21, 8:38:56 AM] Tyler Caldwell: I did sorry. The quickest answer is to tell you to respond via personal email, that's what I normally do for the IT stuff. Otherwise if you prefer to use the club email to resold, I can reset the password for it once I get by my computer again in a bit and send you a link so you can access webmail

[1/13/21, 8:39:26 AM] Tyler Caldwell: Respond*

[1/13/21, 8:40:37 AM] Ian Gileski: Ok thx...and I did not receive the TourneyX email

[1/13/21, 8:41:02 AM] Tyler Caldwell: If y'all don't receive it in the next hour or so I'm gonna reach out to Dwayne and see what's up

[1/13/21, 8:42:39 AM] Tyler Caldwell: Sean/josh don't delete it incase I need to copy and paste it. Don't wanna type it again

[1/13/21, 8:47:15 AM] Michael Ethridge : Destin dome field

[1/13/21, 8:55:02 AM] Ben Day: I got email, looks perfect. Well done tyler!!!

[1/13/21, 9:05:50 AM] Jason Bain: I did not get an email

[1/13/21, 11:27:37 AM] Tommy Eubanks: I also just checked and don't have the email

[1/13/21, 11:31:32 AM] Ian Gileski: I received the test email...but not Tyler's

[1/13/21, 11:43:09 AM] Jonathon Carter: I got the test email but no email from Tyler directly if he sent one

[1/13/21, 12:03:25 PM] Josh Thompson: Got the test email also

[1/13/21, 12:04:15 PM] Tyler Caldwell: Thanks guys, just got off the phone with Dwayne and he wants me to try resending it without the bold and italic text, just plain text. I'm gonna add something to it apologizing to everyone for the multiple emails but we need to help him figure out what caused the problem on my first email so it doesn't happen to others

[1/13/21, 4:07:22 PM] Tyler Caldwell: Can someone forward me a copy of the original email I sent out so I can resend it?

[1/13/21, 4:09:04 PM] Tommy Eubanks: I didn't get it

[1/13/21, 4:09:34 PM] Ben Day: Done

[1/13/21, 4:34:07 PM] Tyler Caldwell: Mr. Tommy, this email was sent out through the TourneyX system to only those people who are registered for Minimalist Challenge so you probably wouldn't have gotten it.

[1/13/21, 4:34:22 PM] Tyler Caldwell: I just sent out another email, hope it worked this time

[1/13/21, 4:34:44 PM] Tyler Caldwell: Dwayne did say it takes a bit for it to send to everyone, it sends to a few people at a time

[1/13/21, 4:34:51 PM] Tommy Eubanks: Ok no problem !

[1/13/21, 4:34:54 PM] Sean Rastanis: Got it

[1/13/21, 4:35:56 PM] Jason Bain: Got it

[1/13/21, 4:36:17 PM] Tyler Caldwell: So far so good!

[1/13/21, 4:36:30 PM] Tyler Caldwell: I haven't gotten it yet though

[1/13/21, 4:38:01 PM] Ben Day: Got it

[1/13/21, 4:48:50 PM] Ian Gileski: I have not yet

[1/13/21, 4:54:12 PM] Tyler Caldwell: Me either ugh

[1/13/21, 4:57:52 PM] Ian Gileski: Mine went to spam...and funny is now the one shows from this morning in spam...but wasn't there earlier!

[1/13/21, 4:59:17 PM] Josh Thompson: Got it

[1/13/21, 5:00:48 PM] Ian Gileski: Great email btw, Tyler!

[1/13/21, 5:03:14 PM] Tyler Caldwell: Thanks! Not sure why it's not coming to me

[1/13/21, 5:12:10 PM] Ian Gileski: Do you think it's because you created and sent it

[1/13/21, 5:13:24 PM] Tyler Caldwell: Well I created/sent it from the club account but I'm registered for tournament under my personal account

[1/13/21, 5:17:41 PM] Michael Ethridge : I got it

[1/13/21, 5:41:49 PM] Jason Bain: Who has boards in Metairie area

[1/13/21, 5:51:09 PM] Tyler Caldwell: Jon

[1/13/21, 5:58:24 PM] Jonathon Carter: I still have six boards I think

[1/13/21, 5:58:27 PM] Jonathon Carter: Just got home

[1/13/21, 5:59:46 PM] Jason Bain: image omitted

[1/13/21, 6:01:26 PM] Jonathon Carter: Ok yeah tell him to text me, 281-702-7783

[1/13/21, 6:01:34 PM] Jason Bain: I took care of Brandon Urban's board that was ordered today

[1/13/21, 7:28:49 PM] Sean Rastanis: Scot Farrar needs a board for MC. I told him we could sell him one Friday night. I'll be in batons rouge tomorrow. I'll pick up some boards to bring down. Are they in the trailer?

[1/13/21, 7:30:28 PM] Jonathon Carter: Jay hasn't sent me a message or anything yet

[1/13/21, 7:32:03 PM] Sean Rastanis: How much are the boards?

[1/13/21, 7:37:40 PM] Jason Bain: I gave him your number

[1/13/21, 7:38:13 PM] Jason Bain: Yes in the prize trailer. I can bring some down for minimalist

[1/13/21, 7:38:33 PM] Jason Bain: 35\$

[1/14/21, 12:20:41 PM] Sean Rastanis: Hey guys I'm in Baton Rouge today. I'm going to go to the trailer and grab 5 boards to sell at Minimalist. Should I grab more? Also I need to get two championship shirts for Shane Curole and Squint

[1/14/21, 12:20:52 PM] Sean Rastanis: Squintz

[1/14/21, 12:22:02 PM] Ben Day: Hook ya boy up with a bumper sticker if you see one laying around, free advertisement. I've done 5k miles in the last 2 months 😊

[1/14/21, 12:33:05 PM] Jonathon Carter: I still haven't heard anything from Jay

[1/14/21, 12:41:11 PM] Tyler Caldwell: "I will visiting Louisiana this weekend and was wondering what fishing license I need for Hopedale and Regolets ? Fresh,salt or both ?"

[1/14/21, 12:41:36 PM] Tyler Caldwell: We got this message on our club account. I'm not familiar if visitor fishing licenses in LA work like residents where you gotta have both

[1/14/21, 12:42:02 PM] Sean Rastanis: I think salt includes fresh

[1/14/21, 12:42:05 PM] Tyler Caldwell: I'd assume he needs at least salt but maybe he will be forced to buy fresh too

[1/14/21, 12:43:06 PM] Ben Day: It makes you get Both I thought he side of the road....I know a couple spots 😊

[1/14/21, 12:58:09 PM] Jason Bain: Shirts are on the side shelf in the original box. Boards are on the floor right inside the door. The are some oval stickers in a box on the front shelf if you want to grab one for Ben

[1/14/21, 12:58:54 PM] Jason Bain: I may see him tonight at Brocks house. If we miss each other he is going to text you

[1/14/21, 1:13:23 PM] Jonathon Carter: Ok sounds good

[1/14/21, 5:44:11 PM] Jason Bain: I got Jay taken care of on his board

[1/14/21, 5:46:26 PM] Jonathon Carter: Ok good deal thanks Jason

[1/14/21, 5:52:16 PM] Josh Thompson: Thanks Jason

[1/14/21, 5:52:19 PM] Jason Bain: You're welcome

[1/14/21, 6:06:16 PM] Sean Rastanis: Thanks Jason. I stopped at the trailer and got four boards for Minimalist. I also got the two championship shirts for Shane and Squintz. We have a random medium in there if anyone is a medium or has a wife that's a medium.

[1/14/21, 6:06:31 PM] Sean Rastanis: And Ben I have your window stickers.

[1/14/21, 6:06:41 PM] Sean Rastanis: Bumper stickers

[1/14/21, 6:14:30 PM] Ian Gileski: I'll take the medium in no one else wants it...wife can wear it.

[1/14/21, 6:15:23 PM] Sean Rastanis: I don't think I've seen a medium since high school. My goal is to get back to a large.

[1/14/21, 6:19:44 PM] Jason Bain: So you found the stickers I left out for you Sean?

[1/14/21, 6:20:02 PM] Ben Day: Thanks!!

[1/14/21, 6:23:36 PM] Sean Rastanis: Yes. Thanks Jason.

[1/14/21, 6:30:51 PM] Jason Bain: Is there a link to a tutorial for TourneyX? Didnt we have something on a podcast before? Jay just asked when I met him for the board and two people messaged me today asking.

[1/14/21, 6:34:26 PM] Sean Rastanis: Yeah. There is

[1/14/21, 6:39:18 PM] Jason Bain: Maybe we can post a link before Minimalist

[1/14/21, 6:49:34 PM] Sean Rastanis: <https://youtube.com/channel/UCwIXNuX3wJfBpbXD-40eZGg>

[1/14/21, 6:49:38 PM] Sean Rastanis: I'll post it

[1/15/21, 3:00:11 PM] Sean Rastanis: I've got a **** ton of kayak crap in my garage I'll probably never use. We should consider having a buy sell trade get rid of event this year. I don't want to throw crap away but I don't want to keep this stuff

[1/15/21, 3:09:02 PM] Ian Gileski: That could work...maybe Backpacker would allow us the parking lot on a Sunday morning

[1/15/21, 3:24:42 PM] Josh Thompson: One year we had a bunch of stuff we donated to Danica Williams for their charity program. Maybe that's something we could do and have everyone bring it to a "Introduction to Kayak Fishing" event at The Backpacker in Baton Rouge and Massey's in New Orleans. Have them advertise it and maybe we could have a few rigged out kayaks at each location. They could be separate dates also.

[1/15/21, 3:25:51 PM] Sean Rastanis: Yup. I mean I've got all kinds of crap.

[1/15/21, 3:33:50 PM] Jonathon Carter: I have a good bit of baits as well

[1/15/21, 3:34:10 PM] Jonathon Carter: I imagine Ian may have a pack or two he could part with lol

[1/15/21, 3:39:13 PM] Jason Bain: I have a ton of stuff too.

[1/15/21, 5:20:28 PM] Ian Gileski: NEVER!!!

[1/15/21, 5:22:40 PM] Tyler Caldwell: Only ones he parts with are the \$18 ones he accidentally throws overboard before he ties them on!

[1/15/21, 5:26:45 PM] Ian Gileski: GIF omitted

[1/15/21, 5:58:10 PM] Jonathon Carter: lol Ian doesn't need those baits so just tosses them out with the trash

[1/15/21, 5:58:34 PM] Jonathon Carter: Just posted the December WhatsApp conversation

[1/15/21, 6:00:15 PM] Tyler Caldwell: Jon you are making me look bad with your promptness

[1/15/21, 6:00:56 PM] Jonathon Carter: Haha only two weeks late...

[1/15/21, 6:01:25 PM] Tyler Caldwell: I usually was months behind so no worries

[1/15/21, 6:01:54 PM] Jonathon Carter: Been a rough two weeks offshore with now no days off. It helped the only conversation I had to edit around was those dang horny dolphins in golden meadow

[1/15/21, 6:02:14 PM] Jonathon Carter: Lol got a good laugh out of that

[1/15/21, 6:03:18 PM] Tyler Caldwell: Hahaha

[1/15/21, 6:39:11 PM] Ben Day: Lmfao 😂

[1/15/21, 8:43:46 PM] Tyler Caldwell: Anh nguyen asked me if he could give his spot away for minimalist since he can't make it. I told him yes since we usually allow people to do that in years past.

[1/15/21, 8:44:18 PM] Michael Ethridge : How are we gonna do that over tourneyx?

[1/15/21, 8:53:45 PM] Ian Gileski: I thought we only did that if it was sold out...do we do it with all the tourneys?

[1/15/21, 8:54:52 PM] Sean Rastanis: No. We don't normally do refunds but we have allowed people to sell their spot If they have a conflict

[1/15/21, 8:58:46 PM] Ian Gileski: Before sell out? Alrighty then. 👍

[1/15/21, 9:08:30 PM] Tyler Caldwell: I can manually add and remove people from the tournament fairly easily

[1/15/21, 9:09:46 PM] Tyler Caldwell: He's offering to give it away too, maybe it'll allow someone down on money right now in these Covid times to join in. I ain't mad at that. I prob should have checked with y'all before I said yes though.

[1/15/21, 9:10:33 PM] Jason Bain: We have allowed in the past. Its always been this... if the person doing the work doesn't mind, then allow it.

[1/15/21, 9:10:36 PM] Michael Ethridge : All good I'm prob gonna end up doing the same thing

[1/15/21, 10:13:49 PM] Ian Gileski: Sounds good to me.. was just confirming past history, since my history is like 15 days old...🤔🤔🤔

[1/15/21, 10:15:16 PM] Ian Gileski: And seriously...my last post was not sarcasm...I just reread it and I see it could have been miss interpreted. Sorry guys if that came across

badly, that was not the intent.

[1/15/21, 10:16:01 PM] Michael Ethridge : Same here I was just wondering if it was possible over tourneyx

[1/16/21, 3:15:24 PM] Sean Rastanis: We're at 120 registered. Getting closer.

[1/16/21, 9:06:24 PM] Michael Ethridge : Awesome sean

[1/16/21, 9:07:40 PM] Michael Ethridge : So everybody I kinda wanna ask everybody for advice on how we can still have a raffle at pp with covid restrictions still in place.

[1/16/21, 9:14:29 PM] Jason Bain: Online or silent auction maybe

[1/16/21, 9:22:38 PM] Ian Gileski: Hmmm...thinking

[1/16/21, 9:23:38 PM] Sean Rastanis: Yeah. I have some thoughts but will let them simmer a bit.

[1/16/21, 9:35:43 PM] Jason Bain: TC got lucky this year. No week of pulling an counting thousands of tickets. Lol.

[1/16/21, 9:40:03 PM] Tyler Caldwell: Lol!

[1/17/21, 6:02:06 AM] Ben Day: Did we talk to bridgeside yet? Last time I was on the island I heard via the mayor that the only person that needed to wear masks were people preparing food. So by April really hoping it's over with down there at least?

[1/17/21, 6:41:33 AM] Michael Ethridge : Doubt that's gonna happen. This is just to get some ideas in case we aren't able to do a traditional raffle

[1/17/21, 6:44:17 AM] Ben Day: The best back up plan I heard was to allow raffle tickets to be purchased on the website and the all board members can meet somewhere or at someone's house and we can do the raffle live online. Or possibly depending on the situation with Covid we can do a hybrid version of that at bridgeside maybe

[1/17/21, 7:11:06 AM] Ian Gileski: If we have to do an online...maybe we could post all the prizes...and folks can buy tickets for each item they want to be in the running for.... thinking this is what Jason meant bt an online silent auction. So if you really want a cooler, you can buy 10 tickets, and that is all you are in the running for. PayPal entries need to be noted for which prize you are entering?

[1/17/21, 7:13:42 AM] Sean Rastanis: The problem with that is that sometimes we get some raffle items that people are not gonna buy tickets for

[1/17/21, 7:14:23 AM] Sean Rastanis: For example I would spend all my money buying raffle tickets for items that are higher priced rather than simple Lures

[1/17/21, 7:14:32 AM] Ian Gileski: Maybe that can be the wildcard one...where you are in for a grab bag of items

[1/17/21, 7:15:10 AM] Ben Day: Yea that would make it complicated unless you generalized items into 4 main categories or something more main stream

[1/17/21, 7:15:30 AM] Sean Rastanis: This is an idea. Hope he does a small raffle that's free. When you pick up your captains bag you can pick up your raffle prize at the same time

[1/17/21, 7:15:38 AM] Sean Rastanis: Hobie

[1/17/21, 7:16:11 AM] Sean Rastanis: So if we plan on doing captains bags this year, we can do the raffle in advance and hand out those prizes when people pick up the captains bags

[1/17/21, 7:16:37 AM] Sean Rastanis: Instead of doing number tickets we would do tickets with peoples names and cell phone number on it

[1/17/21, 7:17:04 AM] Sean Rastanis: Maybe we could also get Masseys backpacker and Pack and Paddle to have a collection where people can purchase tickets at that location

[1/17/21, 7:17:59 AM] Ian Gileski: Well we do often have multiple coolers, or lure packs etc..so really might could get it to 8 groups...which wouldn't be too bad...just bouncing things around here...remember even if we are able to gather "by the rules" think you will

still have many that will exercise caution and not show up...especially if they have less than a slam...and low weight.

[1/17/21, 7:20:51 AM] Ben Day: All great ideas, we gonna make it work one way or another. Well the saints are having 3,000 fans in the dome today. 100-200 people outside on a barrier island 3 months from now. I'm hoping we luck out 😊.

[1/17/21, 11:08:30 AM] Tommy Eubanks: I kinda like the idea of just buying your raffle tickets and officer's doing the drawing for items as the come up, like input regular tournaments. I think that people would spend less \$\$\$ if they only selected items they want. Most the more expensive items. It would be more work on the officer's that way but I think we might raise more \$\$\$ that way. But either way we should generate a fair amount of cash.

[1/17/21, 11:11:27 AM] Tyler Caldwell: I agree with Mr Tommy. Keep the format the same, only change is virtual ticket sales and virtual raffle drawing.

[1/17/21, 11:12:50 AM] Tyler Caldwell: Once Ben is done traveling the 7 seas and gets us some sponsors rolling in, we can make a section on the website where people can go to view the list of prizes

[1/17/21, 11:17:09 AM] Ian Gileski: 👍

[1/17/21, 11:18:15 AM] Ben Day: Im traveled out. Promise lol, last day in Florida and I'll be home until paddlepaloosa then I'll be in grand isle all month! Y'all get ready it's almost tournament week!!! ☐☐☐

[1/17/21, 11:19:28 AM] Ian Gileski: If you're travelled out, then I am low on Bass tackle! 🎣

[1/17/21, 11:20:28 AM] Sean Rastanis: I thought you was going to be in golden meadow from like Wednesday to Sunday?

[1/17/21, 11:21:16 AM] Ben Day: 15 days at a time is my current limit. I need a 5 wheel with a master bed, a dishwasher and a washer & dryer if imma go full time 🏠

[1/17/21, 11:22:34 AM] Ben Day: Thursday to Sunday, I gotta drop my kayak off for jc on Wednesday. And I gotta fill some propane and get the camper ready for Motley Crue otherwise know as Covid josh & chuck hahahaha

[1/17/21, 11:23:51 AM] Michael Ethridge : Ole chuck staying with yall?

[1/17/21, 11:24:38 AM] Ben Day: I think he just happened to pass out talking to me and josh

[1/17/21, 11:25:40 AM] Ben Day: Sean, josh & Tyler staying in the camper last I heard

[1/17/21, 7:07:42 PM] Jonathon Carter: I may pull a chuck and pass out Thursday night depending how it goes

[1/17/21, 7:33:38 PM] Ben Day: 😊

[1/18/21, 11:17:01 AM] Ben Day: What are we cooking Thursday and Friday night?

[1/18/21, 11:39:20 AM] Sean Rastanis: Yeah. What we cooking?

[1/18/21, 11:43:25 AM] Josh Thompson: Big pot of chili?

[1/18/21, 11:47:05 AM] Tyler Caldwell: Put beans in that and I ain't touching it!

[1/18/21, 11:47:20 AM] Sean Rastanis: How can you have chili without beans?

[1/18/21, 11:47:54 AM] Josh Thompson: 🎣🎣🎣

[1/18/21, 11:50:03 AM] Ben Day: Something for the pitboss? I'm down for oysters again or boudin??

[1/18/21, 11:51:23 AM] Tyler Caldwell: Same way you have a gumbo without chicken breasts!

[1/18/21, 11:52:09 AM] Tyler Caldwell: Now we talking oysters? Oh lawd I can see this is gonna be a BYOF event

[1/18/21, 11:55:37 AM] Sean Rastanis: I asked Eric what he's cooking
[1/18/21, 11:55:52 AM] Sean Rastanis: He said it depends on what time he can get down there
[1/18/21, 11:56:56 AM] Sean Rastanis: I could get a big ass pork shoulder and throw it on bens pit boss Thursday night. Let it cook all night into Friday????
[1/18/21, 12:00:22 PM] Ben Day: I like the pork shoulder idea and we can get some sushi for Tyler if need be. Don't blame me, Jason and chuck got me hooked on the oysters.
[1/18/21, 12:01:06 PM] Tyler Caldwell: Im always down for pulled pork. A big one will feed around 12-15 people probably
[1/18/21, 12:01:24 PM] Sean Rastanis: That's it?
[1/18/21, 12:01:37 PM] Sean Rastanis: What's big?
[1/18/21, 12:02:49 PM] Tyler Caldwell: 10 lbs
[1/18/21, 12:02:57 PM] Jason Bain: We can still get some oysters Ben
[1/18/21, 12:03:08 PM] Tyler Caldwell: Will be 6ish lbs by the time you cook it
[1/18/21, 12:03:26 PM] Tyler Caldwell: 1/2 lb per person is 12 people
[1/18/21, 12:03:35 PM] Sean Rastanis: True
[1/18/21, 12:03:56 PM] Tyler Caldwell: We are mostly grown men so you ain't factoring in kids and women like a normal shin dig where it would go a little further
[1/18/21, 12:04:11 PM] Sean Rastanis: Mostly??
[1/18/21, 12:04:13 PM] Ben Day: ♡
[1/18/21, 12:06:33 PM] Tyler Caldwell: Heart Faust lol
[1/18/21, 12:06:36 PM] Ian Gileski: Same here...
[1/18/21, 12:07:09 PM] Sean Rastanis: Ohhh. I thought that you was challenging someone's manhood or something.
[1/18/21, 1:42:02 PM] Tommy Eubanks: How many do we have signed up for MC. ?
[1/18/21, 1:46:31 PM] Jonathon Carter: 124
[1/18/21, 1:46:36 PM] Jonathon Carter: 11 spots left
[1/18/21, 1:47:13 PM] Tommy Eubanks: Thanks,
[1/18/21, 4:55:22 PM] Ben Day: I've had 2 people contact me tonight about needing club boards for next weekend, at this point in time would it be easier to have boards at Galliano inn & they can pick up with their lures?
[1/18/21, 4:55:38 PM] Sean Rastanis: I'm bringing 5 boards with me
[1/18/21, 4:55:41 PM] Sean Rastanis: To sell
[1/18/21, 4:56:46 PM] Ben Day: Ok perfect!
[1/18/21, 4:58:24 PM] Jason Bain: I can grab more if needed. Im coming down Thursday night
[1/18/21, 5:00:47 PM] Ben Day: I'm shootings for 2pm Thursday. Alex Fortenberry needed a board he said he has cash and can pick up Friday, & Zachary Floyd and his buddy need a board they gonna order from website I believe
[1/18/21, 6:29:03 PM] Ian Gileski: I'll be down Friday...but will have no boards...lol
[1/18/21, 6:47:52 PM] Michael Ethridge : Like 90% chance I'm not gonna make it this year guys
[1/18/21, 6:50:51 PM] Ian Gileski: Oh man, that sucks Michael
[1/18/21, 6:54:11 PM] Josh Thompson: Dang man! You back offshore?
[1/18/21, 6:55:14 PM] Michael Ethridge : Yeah been out here going on 2 weeks looks like I wont be back in until next week
[1/18/21, 6:55:33 PM] Josh Thompson: Make that money man!
[1/18/21, 6:55:51 PM] Jonathon Carter: Stay safe out there
[1/18/21, 6:58:47 PM] Ben Day: 🙏

[1/18/21, 7:36:45 PM] Jason Bain: Ben said he will start out Thursday am bring you you baits, lol

[1/19/21, 1:06:20 PM] Tyler Caldwell: Guys I'm a little nervous at the amount of people that have been paying auto-renew memberships twice a year.

24 people I found.

For those people I've cancelled one and kept the other active.

But now I'm getting messages like this

[1/19/21, 1:06:30 PM] Tyler Caldwell: image omitted

[1/19/21, 1:07:11 PM] Ian Gileski: Damn

[1/19/21, 1:07:16 PM] Tyler Caldwell: So now Wayne would like me to add up however much he overpaid and apply it to future memberships.

If all 24 people come back with something like this, it could be costly.

[1/19/21, 1:07:30 PM] Tyler Caldwell: And unfortunately I think it's actually their fault but by accident

[1/19/21, 1:07:58 PM] Tyler Caldwell: I think people had an auto renew membership and either didn't remember or didn't realize that it was auto renew. So then they would pay a second time and start a second auto renew

[1/19/21, 1:08:16 PM] Tyler Caldwell: The new system will prevent that from happening

[1/19/21, 1:08:34 PM] Tyler Caldwell: We owe Jason a small fortune, he had three memberships autorenewing lol

[1/19/21, 1:09:19 PM] Ian Gileski: Give him 3 championship shirts and call it even! 🤞🤞🤞

[1/19/21, 1:09:44 PM] Tommy Eubanks: Tyler after you adjusted mine I got yet another request for renewal. So something is def going on.

[1/19/21, 1:10:41 PM] Josh Thompson: Let's take it case by case. But if we double dipped or triple dipped, we need to take care of it.

[1/19/21, 1:11:28 PM] Josh Thompson: @12259386781 , you are going to have to really step up the sponsors and make us some really good raffles for this year!

[1/19/21, 1:11:52 PM] Tyler Caldwell: Yours should be straight now. Everyone's should be straight. I put every single auto renew membership into an excel spreadsheet and located all the duplicates and fixed them.

[1/19/21, 1:12:12 PM] Tyler Caldwell: Whether we owe you money or not is to be determined but the problem should be fixed going forward atleast

[1/19/21, 1:15:48 PM] Tommy Eubanks: Yea it is, but if I go log on there is a tab that called Membership renewal that is active . So it looks I need to renew. Never seen that before.

[1/19/21, 1:31:06 PM] Tyler Caldwell: I added a link at the top of the forum that says "Membership Status" because so many people were having trouble finding it. You have one active membership set to auto-renew that was created on December 20, 2019. Your last automatic payment on that was December 20, 2020.

On December 18, 2020, you also logged onto the website and manually paid for an extra one year membership. That's the one I refunded since I saw you were set to auto-renew on the 20th.

[1/19/21, 1:31:53 PM] Tyler Caldwell: Estimated value of money we owe to members is \$2,241.90

[1/19/21, 1:42:14 PM] Tyler Caldwell: Options to fix this:

A) Pay people outright

B) extend their memberships for what they already paid for, free membership the next few years til it equals our

C) can we offer matching dollar value in raffle tickets at paddlepalooza? That would be the cheapest fix. Or is that not appropriate?

[1/19/21, 1:45:04 PM] Josh Thompson: I would be fine offering each of the three options to let them choose. That would create the least amount of hit to the balance.

[1/19/21, 2:02:58 PM] Tyler Caldwell: I wonder how this affects tax filing that Jason has been working on

[1/19/21, 2:03:26 PM] Tyler Caldwell: If everyone agrees to extending membership or raffle tickets then maybe not at all

[1/19/21, 2:06:30 PM] Tommy Eubanks: I don't see any problems with offering any or all of the 3 options. Let them choose. I don't think that we're talking about enough \$\$\$ to effect the tax issue.

[1/19/21, 2:08:28 PM] Tyler Caldwell: Mr Tommy if you are still unsure on what happened with your membership, feel free to give me a call sometime and we will make sure it's worked out

[1/19/21, 2:25:39 PM] Tommy Eubanks: No I am good, just can understand how others would sign up twice with the way the forum notifies you about renewal especially it your on auto renew and don't remember. When that note pops up. I am good !

[1/19/21, 2:27:39 PM] Ian Gileski: I think the issue would be that you have to visit the forum to see the notification...I am on auto renew and have never seen a message because I do not frequent the forum. If it pushed an email out, that would work better in my opinion.

[1/19/21, 2:59:29 PM] Tyler Caldwell: All of this will work better on the new software. It won't even allow you to purchase another membership if you already have an active one.

Also if we vote to move everyone to auto renew then that will help too

[1/19/21, 5:47:01 PM] Michael Ethridge : Is there any way we can make it so people automatically auto renew but they can opt out of auto renew if they want to?

[1/19/21, 5:47:14 PM] Michael Ethridge : Not trying to stir anything up just wondering

[1/19/21, 5:53:32 PM] Josh Thompson: Yeah, that's how it would need to work.

[1/19/21, 5:54:31 PM] Ian Gileski: I second that motion!

[1/19/21, 6:54:27 PM] Tyler Caldwell: Not sure that's possible with this software

[1/19/21, 6:55:03 PM] Tyler Caldwell: I'll see though but don't remember seeing a feature for that

[1/19/21, 6:56:18 PM] Tyler Caldwell: I mean you could cancel your membership on your own at anytime if that's what you mean.

But as far as defaulting to auto renew and an option to opt out before you pay, that's what I didn't see

[1/19/21, 7:00:12 PM] Michael Ethridge : What I kinda envision is a box that is automatically checked for auto renewal that you can uncheck when signing up.

[1/19/21, 7:01:58 PM] Michael Ethridge : Just worried that this is gonna generate more work when people call up to get their money back after an auto renewal

[1/19/21, 7:05:52 PM] Tyler Caldwell: If they forget that they signed up for a membership, that's on them...not on us. Netflix probably wont pay you back for 6 months because you forgot you signed up for their service. I'll check on what your talking about though and see

if it'll do that

[1/20/21, 11:03:48 AM] Tyler Caldwell: I think i now have all active club memberships imported to the new software, hopefully I didn't do anything wrong. Grand total of active paying club members is 440. 281 of those are on auto-renew

[1/20/21, 11:05:38 AM] Tyler Caldwell: The reporting is sooo much better with this. In 2020 we collected \$10,899.55 in membership dues.

[1/20/21, 11:06:25 AM] Josh Thompson: Man that is awesome! TC, thank you so much for working this.

[1/20/21, 11:07:47 AM] Tyler Caldwell: image omitted

[1/20/21, 11:08:41 AM] Michael Ethridge : Awesome Tyler

[1/20/21, 11:12:56 AM] Jonathon Carter: Very nice!

[1/20/21, 11:14:39 AM] Ian Gileski: Great work TC!

[1/20/21, 11:15:01 AM] Ben Day: ♥

[1/20/21, 11:15:24 AM] Jason Bain: That is bad ass!

[1/20/21, 11:21:52 AM] Michael Ethridge : Dang wish I could see the picture.....stupid slow wifi

[1/20/21, 11:28:13 AM] Tyler Caldwell: image omitted

[1/20/21, 11:28:56 AM] Tyler Caldwell: I guess I rather refund him than him bring his Covid to Galliano inn lol

[1/20/21, 11:29:40 AM] Ian Gileski: I would agree. COVID is a unique situation...

[1/20/21, 11:33:38 AM] Jason Bain: He can fish by himself and keep distance since its a CPS tournament. But I'm not against refunding him, just saying

[1/20/21, 11:43:23 AM] Tyler Caldwell: You can hand him his baits, not it!! Lol

[1/20/21, 11:43:39 AM] Tyler Caldwell: I guess we could leave them on the opposite side of the parking lot

[1/20/21, 11:45:24 AM] Tyler Caldwell: I'd agree to refund him though. If he's gotta drive 2.5 hours down and needs to take a **** then he's infecting someone at the gas station or something.

[1/20/21, 11:46:17 AM] Ben Day: Send dan in 😏

[1/20/21, 11:46:26 AM] Josh Thompson: Refund the poor soul. Hopefully he didn't catch it!

[1/20/21, 11:46:32 AM] Josh Thompson: 🤔

[1/20/21, 11:47:25 AM] Tyler Caldwell: May as well flag that as a meeting minute edit Jon 🤔

[1/20/21, 11:50:37 AM] Jonathon Carter: Hahahahaha

[1/20/21, 11:51:46 AM] Ben Day: <https://media1.giphy.com/media/l41m6...p4IM/giphy.gif>

[1/20/21, 11:52:30 AM] Tyler Caldwell: So sounds like general consensus is agreement with refund

[1/20/21, 12:03:15 PM] Jonathon Carter: Yeah

[1/20/21, 12:06:31 PM] Tommy Eubanks: I am ok with it

[1/20/21, 12:07:00 PM] Sean Rastanis: Yes

[1/20/21, 12:33:43 PM] Jason Bain: Yes. Refund

[1/20/21, 12:44:24 PM] Jason Bain: Aaron Larose says hello

[1/20/21, 12:44:58 PM] Josh Thompson: What up A A Ron?

[1/20/21, 12:47:12 PM] Tyler Caldwell: I almost texted him a few min ago to tell him my accomplishments since he's my only fishing/it nerd combination friend

[1/20/21, 12:47:23 PM] Tyler Caldwell: IT

[1/20/21, 12:50:50 PM] Ian Gileski: Emphasis on Nerd? 🤔

[1/20/21, 12:51:14 PM] Ian Gileski: Kidding if course, Tyler.

[1/20/21, 12:58:56 PM] Jason Bain: I told him how bad ass your new software is.

[1/20/21, 1:15:51 PM] Tyler Caldwell: 🤔

[1/20/21, 1:16:02 PM] Tyler Caldwell: 🤔

[1/20/21, 1:16:41 PM] Tyler Caldwell: By the way, someone messaged my bright and early this morning asking if bobber stops were allowed. I'll leave that one up to Sean and Ian

[1/20/21, 1:17:34 PM] Sean Rastanis: 🤔

[1/20/21, 1:17:54 PM] Sean Rastanis: So not even a cork but a bobber. I guess we fishing for bream

[1/20/21, 1:19:06 PM] Tyler Caldwell: Bobber stop

[1/20/21, 1:19:17 PM] Tyler Caldwell: Not a bobber

[1/20/21, 1:19:47 PM] Sean Rastanis: Right. But we'd have to distribute bobbers in order to use the bobber stopper right??

[1/20/21, 1:20:23 PM] Ian Gileski: No...bobber stops are used more for holding tungsten weights etc. No to bobber stops

[1/20/21, 1:20:54 PM] Ian Gileski: Bobber stops not allowed

[1/20/21, 1:21:02 PM] Sean Rastanis: Soooo. We're giving out tungsten weights??

[1/20/21, 1:21:10 PM] Sean Rastanis: Tyler ask him why he wants to use them

[1/20/21, 1:22:32 PM] Sean Rastanis: Now I'm curious

[1/20/21, 1:33:28 PM] Tyler Caldwell: This did not disappoint

[1/20/21, 1:33:53 PM] Tyler Caldwell: He puts one above the knot on his flourocarbon which helps make it more weedless

[1/20/21, 1:34:34 PM] Tyler Caldwell: Y'all have a lot of grass probs in January in Leeville? Lol

[1/20/21, 1:34:44 PM] Ian Gileski: Well. Less weedless for this tourney....because the Bayous are full of weeds in the winter

[1/20/21, 1:34:46 PM] Sean Rastanis: Yes. There does tend to be a lot of grass in Leeville in January.

[1/20/21, 1:35:16 PM] Ian Gileski: No bobber stops in my vote

[1/20/21, 1:35:17 PM] Ian Gileski: Is

[1/20/21, 1:35:22 PM] Sean Rastanis: Agree

[1/20/21, 1:35:46 PM] Tyler Caldwell: I've never heard they could be used for that, I agree too

[1/20/21, 2:51:22 PM] Tommy Eubanks: Agree

[1/20/21, 3:10:22 PM] Jason Bain: Agree

[1/20/21, 3:33:20 PM] Sean Rastanis: 129 and counting!

[1/20/21, 3:34:08 PM] Ben Day: Everyone needs to text Aaron and tell him to sign up. He acted like he was thinking about it 😊

[1/20/21, 3:51:05 PM] Ian Gileski: Was 128 earlier today! Almost there!

[1/20/21, 4:10:43 PM] Tyler Caldwell: We have one youth in the count so 136 will be a sell out. and also I have one person to refund and remove still

[1/20/21, 4:49:31 PM] Tyler Caldwell: I think this guy was really hoping bobber stops would be allowed. He's questioning what we consider a tactical advantage of a bobber stop. I just told him that the tournament been around a long time and always only allowed swivels and speed clips so we didn't see a reason to change it

[1/20/21, 4:50:24 PM] Ian Gileski: Because we set a rule and bobber stops not allowed

[1/20/21, 4:50:38 PM] Ian Gileski: I hate this job already...🤔🤔🤔

[1/20/21, 4:50:56 PM] Jonathon Carter: But why Ian, WHY!?

[1/20/21, 4:51:09 PM] Ian Gileski: Because Sean said so

[1/20/21, 4:51:25 PM] Sean Rastanis: Yeah well I've caught quite a bit of **** already about this 30 inch redfish rule soooooo get used to it

[1/20/21, 4:51:33 PM] Ian Gileski: Already had to take a Steve call for 40 minutes the other night

[1/20/21, 4:52:00 PM] Ben Day: We need bobber stops Anointed in holy water from the fishing gods for Saturdays weather forecast 😞

[1/20/21, 4:52:01 PM] Sean Rastanis: 🙏🙏🙏

[1/20/21, 4:52:24 PM] Sean Rastanis: I hope y'all bringing rain gear

[1/20/21, 4:53:03 PM] Ian Gileski: Still hoping we get the current Sunday forecast...and weather pushes through sooner

[1/20/21, 4:54:38 PM] Jonathon Carter: Who was it that said something about beautiful weather first?

[1/20/21, 4:54:49 PM] Jonathon Carter: Whoever it was you screwed us lol

[1/20/21, 4:55:49 PM] Sean Rastanis: Gotta be Ben Day.

[1/20/21, 4:55:59 PM] Sean Rastanis: He's always projecting the forecast 15 to 20 days out

[1/20/21, 4:56:37 PM] Ian Gileski: Guilty...

[1/20/21, 4:57:11 PM] Ben Day: Psh try 20-30 days! No slackers here 😏

[1/20/21, 4:58:03 PM] Josh Thompson: Lessons were learned! May we never speak of this again! 🙏

[1/20/21, 4:58:36 PM] Ben Day: image omitted

[1/20/21, 8:54:40 PM] Jason Bain: Do I need to grab any more boards before I leave tomorrow

[1/20/21, 8:55:04 PM] Sean Rastanis: I've got four. Anyone else bringing any down?

[1/20/21, 9:10:30 PM] Jonathon Carter: I wasn't planning on bringing some down, I think we have two people confirmed who are getting boards

[1/20/21, 9:11:07 PM] Jonathon Carter: It probably wouldn't hurt to bring some spares down though, I have them at my house and can easily throw them in my truck if that's easier for you Jason?

[1/20/21, 9:11:30 PM] Sean Rastanis: A couple more wouldn't hurt

[1/20/21, 9:12:24 PM] Jonathon Carter: K I'll throw three more in my truck

[1/20/21, 9:12:26 PM] Ben Day: I'd feel better with 10-15 just Incase ?

[1/20/21, 9:12:38 PM] Ben Day: Total including the 4

[1/20/21, 9:17:30 PM] Jonathon Carter: I have the three I'll bring down, that leaves with me with two more to hold onto after MC

[1/20/21, 9:27:39 PM] Jason Bain: I can grab whatever. Im already going in the trailer before I leave tomorrow. Ill grab 10

[1/21/21, 8:59:31 AM] Ben Day: People keep asking me if we are selling bayou coast shirts at the tournaments, might be an idea idk what the logistics of that would be in the future?

[1/21/21, 9:01:09 AM] Jason Bain: We have some old ones in the trailer but I don't have a list. We normally sell the at PP and FNT

[1/21/21, 9:10:26 AM] Ian Gileski: Maybe we have them available at Galliano...since we will have folks be coming by for baits...could make some \$\$\$

[1/21/21, 9:12:32 AM] Jason Bain: I can grab them

[1/21/21, 9:14:25 AM] Ben Day: ❤️

[1/21/21, 10:18:35 AM] Tyler Caldwell: We can easily have some made and sell them on the website too. Other than someone would have to take on the logistics of shipping but if we stocked up on shipping bags/envelopes and printed labels at home it probably wouldn't be much effort to stick a shirt in an envelope and put a sticker on it and drop it in the mail

[1/21/21, 10:20:32 AM] Tyler Caldwell: Butch Ammons is offering to make and sell stickers with the club logo but I'm not sure if he's making profit on that and not the club or what? I know a guy in old Metairie that has an embroidery and vinyl business that I could get a

price from on stickers if we wanted some. I'm talking about cut vinyl nice stickers, not those old school oval ones we have been putting in captians bags

[1/21/21, 10:23:52 AM] Ben Day: Has anyone actually purchased the bayou coast themed g-string on the website?besides chuck Bahan?

[1/21/21, 10:23:55 AM] Ben Day: 😊

[1/21/21, 10:24:04 AM] Ben Day: ♥

[1/21/21, 10:26:18 AM] Ben Day: I'm 100% in favor for kicking up the bayou coast Merchandise at tournaments, the performance shirts are like collectors items

[1/21/21, 10:29:01 AM] Jason Bain: I think if we made a plain BCKFC logo shirt we could easily sell them. The stickers need to be the style I gave to Mark and the one I have for Ian

[1/21/21, 10:42:34 AM] Tyler Caldwell: Here's what the fishing report section of the site could look like. Even allows people to login and comment underneath it. Jack is ready to provide his first one on Sunday

[1/21/21, 10:42:37 AM] Tyler Caldwell: <https://bayoucoast.com/category/fishing-reports/>

[1/21/21, 10:43:24 AM] Ben Day: Omg that is a million times better

[1/21/21, 10:43:46 AM] Josh Thompson: Love that!

[1/21/21, 10:44:40 AM] Tyler Caldwell: And it can be restricted to members only

[1/21/21, 10:45:37 AM] Josh Thompson: Is anyone against starting a new logo contest? If we want to do this, we should do it before we start selling stickers and shirts. Butch really has nothing to do with the club anymore. I'm not sure we want him selling stickers.

[1/21/21, 10:45:52 AM] Sean Rastanis: I love that idea

[1/21/21, 10:47:03 AM] Josh Thompson: If everyone is happy with the current logo, I'm good with that. Just an idea we had before Christmas.

[1/21/21, 10:47:21 AM] Jason Bain: Awesome TC

[1/21/21, 10:48:35 AM] Jason Bain: Josh i think its a cool idea for the logo contest. Even if we don't use it for the actual club logo we could use it for tournaments or something

[1/21/21, 10:58:38 AM] Tyler Caldwell: Hopefully we get some polished submissions and not MS Paint

Or we ask for "logo ideas" and then let a professional sharpen them up.

[1/21/21, 11:52:16 AM] Ian Gileski: I like the logo idea....and great job with the webpage Tyler

[1/21/21, 5:03:42 PM] Jason Bain: Who's coming down tonight. I just left my house

[1/21/21, 5:05:00 PM] Josh Thompson: Me, eric, Ben Jonathan, Breck, Big John are here

[1/21/21, 5:07:24 PM] Tyler Caldwell: Won't be there til around 7pm tomorrow

[1/21/21, 5:09:36 PM] Ian Gileski: I'll be down tomorrow afternoon

[1/21/21, 5:10:45 PM] Tommy Eubanks: I will be there sometime tomorrow

[1/21/21, 5:11:43 PM] Tyler Caldwell: Glad you could make it Tommy!

[1/21/21, 5:12:48 PM] Tommy Eubanks: Me too !

[1/21/21, 5:19:50 PM] Sean Rastanis: That's awesome!

Y'all are being requested at the cooking shed

[1/23/21, 8:00:24 AM] Michael Ethridge : Damn breck hotard got a 165" speck lol

[1/23/21, 8:59:22 AM] Jason Bain: Monster! 🐉

[1/23/21, 9:15:53 AM] Michael Ethridge : image omitted

[1/23/21, 9:16:29 AM] Michael Ethridge : Dont know who this is but it looks like he is throwing a popping cork

[1/23/21, 9:43:13 AM] Michael Ethridge : Younger guy kinda heavysset I didnt recognize him. Other side of his yaks front end was covered in mud

[1/23/21, 9:44:53 AM] Ben Day: That's Shane meek

[1/23/21, 9:47:51 AM] Ben Day: Is he using the hard bait as a cork maybe?
[1/23/21, 9:54:39 AM] Michael Ethridge : No he came close after that picture straight up clip on cork. Said he gave up on the tournament.
[1/23/21, 10:13:39 AM] Ben Day: That didn't take long!
[1/23/21, 3:56:32 PM] Josh Thompson: @16015274708 , are you here?
[1/23/21, 4:44:36 PM] Sean Rastanis: Hey guys my phone is almost dead I'm trying to charge it. Real quick we had an angler his phone broke put his fish in the ice chest went to the launch and had someone take pictures of his dead fish at the launch. I need to double check the rules but I'm pretty sure we have to DQ him.
[1/23/21, 5:04:44 PM] Ian Gileski: Yes we do..2 rules broken...caught more than 1 fish before photographing...and dead fish
[1/23/21, 5:19:19 PM] Jason Bain: He told me he was able to put them in the live well on tourney x but not able to submit them.

He came to the cabins looking for you Sean

[1/23/21, 5:21:26 PM] Ian Gileski: Wonder if he put them in the live well after 3:00
[1/23/21, 5:37:38 PM] Jason Bain: Maybe? He said he had Sean's number. I think he talked to Josh at the launch
[1/23/21, 5:46:36 PM] Tyler Caldwell: It's unfortunate situation but sounds like a DQ to me. Rules are rules and we can't bend them. It's not our fault that his phone went out
[1/23/21, 5:47:43 PM] Tommy Eubanks: I agree with Tyler, this would set a bad precedent for future events I think
[1/23/21, 5:47:45 PM] Tyler Caldwell: I saw the craziest thing while I was fishing today...I watched a hawk snatch an egret in mid air and carry it off.
[1/23/21, 5:47:46 PM] Ian Gileski: I always carry a small camera as a back up..so then I at least would have a timestamp
[1/23/21, 5:48:45 PM] Ian Gileski: That would've been cool to see
[1/23/21, 6:02:46 PM] Jonathon Carter: I doubt they are in the live well before 3 because then that would have been a TourneyX problem submitting the fish and I don't think anyone else had a problem?
[1/23/21, 6:05:02 PM] Sean Rastanis: and then there's this
[1/23/21, 6:05:09 PM] Sean Rastanis: image omitted
[1/23/21, 6:05:29 PM] Sean Rastanis: 
[1/23/21, 6:06:14 PM] Jonathon Carter: Sounds like a phone issue, a phone issue we are not responsible for
[1/23/21, 6:06:28 PM] Sean Rastanis: It is. He got it wet
[1/23/21, 6:06:43 PM] Sean Rastanis: I ran into him this morning and told him not much we could do
[1/23/21, 6:07:20 PM] Sean Rastanis: So I'm not going to announce top 20 tonight. I gotta get details on this Chris cocheran thing
[1/23/21, 6:07:38 PM] Sean Rastanis: He finished 9th overall but if he's DQed...
[1/23/21, 6:08:08 PM] Sean Rastanis: We will just announce the winners and we can update tomorrow
[1/23/21, 6:10:40 PM] Ian Gileski: Was he the one with the dead fish? Broken phone?
[1/23/21, 6:11:28 PM] Ian Gileski: Also Jeff Robinson texted me as he says he only sees 4 fish but says he submitted 5...
[1/23/21, 6:16:12 PM] Tyler Caldwell: Ohh I thought you had told me Chris Cox
[1/23/21, 6:18:10 PM] Tyler Caldwell: image omitted
[1/23/21, 6:18:41 PM] Ian Gileski: Corcheran has to be DQd

[1/23/21, 6:18:55 PM] Ian Gileski: Is that all of his submissions?

[1/23/21, 6:18:58 PM] Tyler Caldwell: Agreed, announce top 20 tonight

[1/23/21, 6:19:03 PM] Tyler Caldwell: And DQ him

[1/23/21, 6:19:23 PM] Tyler Caldwell: Only 4 submitted and all accepted by holly. I don't guess it's possible he submitted one for Luke by mistake? Unless luke had his own phone then I guess it would be impossible

[1/23/21, 6:20:01 PM] Ian Gileski: On thx Tyler...Luke had his own phone

[1/23/21, 6:21:32 PM] Tyler Caldwell: Maybe he pressed submit to live well by mistake!

[1/23/21, 6:22:25 PM] Jason Bain: Wouldn't he have a text/email when his fish were accepted? Does he have 4 emails or 5?

[1/23/21, 6:28:02 PM] Ian Gileski: I called to ask him that Jason...but he was driving. He was using the app to take pictures though...I never do that so maybe that caused an issue? Either way, he just was concerned if he would be top 20...which 5 trout is not unless they were all 18-20. Which he said they weren't

[1/23/21, 6:32:47 PM] Sean Rastanis: Ok. Checked the rules. Chris will be dqed

[1/23/21, 6:49:38 PM] Sean Rastanis: Does anyone want to come on into the awards with me tonight or do you want me to just go on Facebook live and get it over with?

[1/23/21, 6:50:11 PM] Jason Bain: FB live. Short and sweet

[1/23/21, 6:50:48 PM] Ian Gileski: I 2nd Jason's sentiments

[1/23/21, 6:51:14 PM] Jonathon Carter: Get err done quick

[1/23/21, 6:51:21 PM] Jonathon Carter: Brutal day, people want the facts

[1/23/21, 6:52:04 PM] Josh Thompson: Wow, just got home. Y'all been busy. Good job guys!

[1/23/21, 6:52:13 PM] Tommy Eubanks: Just do it

[1/23/21, 6:54:42 PM] Sean Rastanis: Ok. I agree

[1/23/21, 7:01:32 PM] Ian Gileski: On another note...Gairi Williamson has 2 Tourney X accounts...bet he signed up with one and was logged in in the other...I talked to Dwayne

[1/23/21, 7:02:02 PM] Ian Gileski: image omitted

[1/23/21, 7:02:53 PM] Jason Bain: Are we live yet

[1/23/21, 7:07:19 PM] Sean Rastanis: Can y'all see me?

[1/23/21, 7:41:46 PM] Jason Bain: No I'm in Galliano, lol

[1/23/21, 7:48:36 PM] Sean Rastanis: Next year. We should have Minimalist at golden meadow and maybe Basons too

[1/23/21, 7:48:47 PM] Sean Rastanis: Lot less skunking

[1/23/21, 7:49:06 PM] Sean Rastanis: Just putting it out there

[1/23/21, 7:49:20 PM] Jonathon Carter: I had a feeling you would say that

[1/23/21, 7:50:29 PM] Jonathon Carter: Do we know how many people launched at Leeville/topwater?

[1/23/21, 7:52:08 PM] Sean Rastanis: Not sure. But I think nearly all the money came from golden meadow but Matthew a Vann

[1/23/21, 7:52:23 PM] Jonathon Carter: I think your right there

[1/23/21, 7:52:40 PM] Jonathon Carter: I'm just thinking for crowding

[1/23/21, 7:53:23 PM] Ian Gileski: There was maybe 15-20 at public launch..and maybe the same at Topwater. I like the Golden Meadow idea for next year

[1/23/21, 8:06:28 PM] Jonathon Carter: Did any people just not fish? It seemed light at GM besides the couple people stopping right after the ramp

[1/23/21, 8:06:37 PM] Jonathon Carter: Are we doing plaques for minimalist?

[1/23/21, 8:06:47 PM] Jonathon Carter: Getting several asks for them

[1/23/21, 8:47:27 PM] Tyler Caldwell: We don't usually for the small tournaments but at

one time last year we did talk about ordering plaques for them all in one order at the beginning of the year but I forgot all about it

[1/23/21, 9:27:16 PM] Jason Bain: Never for minimalist.

[1/23/21, 9:33:54 PM] Sean Rastanis: We have once or twice. But now we broke

[1/23/21, 9:41:01 PM] Ben Day: Just got home! Great job everyone i has a blast!

[1/23/21, 9:41:08 PM] Ben Day: Had*

[1/24/21, 11:04:21 AM] Sean Rastanis: Hey guys Josh asked me to post this here: a few people are complaining about a picture of Brock's identifier not being clearly visible. Chris cocheran in particular is pissed because his fish taken after the fact were denied

[1/24/21, 11:04:26 AM] Sean Rastanis: Here is the message

[1/24/21, 11:05:04 AM] Sean Rastanis: This was brought to my attention by other anglers after they had hear what happened to me. They wanted me to make it public but I'm talking to you first. The rules also don't accommodate contesting any of the rulings due to the fact no one can see any of the submissions from 1pm until after the awards ceremony so how is anyone supposed to contest anything by 5pm in writing if they cannot see any of the final photos. This is nothing personal but like the ones that brought it to my attention said if you hold one angler to the rules they should hold us all to the rules. I have fish probably around 100 cpr tournaments over the last 3 years and I have had multiple fish dq'd for photos just like this

[1/24/21, 11:05:24 AM] Sean Rastanis: The fish nothing you can't see the identifier clearly is what everyone has brought to my attention.. honestly I didn't even know that tourney x was opened back up for viewing until I started getting messages. From others

[1/24/21, 11:05:50 AM] Sean Rastanis: My response:

[1/24/21, 11:05:55 AM] Sean Rastanis: So we compared the pictures of the identifier with the other pictures submitted. They are the same. The H started coming off because of the rain. We knew that might happen. But it is visible. The fish was approved based on a comparison with all other pics. Just so you know we hire an independent judge from our of state to do all the judging. She doesn't know anyone fishing the tournament.

[1/24/21, 11:06:54 AM] Sean Rastanis: This is the picture.

[1/24/21, 11:11:14 AM] Sean Rastanis: image omitted

[1/24/21, 11:22:21 AM] Jonathon Carter: I think your explanation covers it, if the independent judge clears it and y'all confirm then it is what it is. Sucks for Chris but I guess it happens? Did Chris or others who had problems reach out to Sean/Ian during the tournament day?

[1/24/21, 11:25:14 AM] Tommy Eubanks: Agree with your response !! Club did everything they could to make it a fair event.

[1/24/21, 11:35:27 AM] Sean Rastanis: No. Chris got Brendan to take pictures of his fish at the launch and then Brendan texted them to holly and told her to add them to his total. He shouldn't have done that

[1/24/21, 11:35:35 AM] Sean Rastanis: But I don't think Brendan knew the rule

[1/24/21, 11:35:41 AM] Ian Gileski: Yes...agreed with response...maybe mention we offered a little leeway in photos due to rain factor...such as a water spot on a lens that blurred a photo. I mean we certainly can go hard line on the rules...think more people would be upset if we did that. I feel we did a fair and respectable job with the few questions that Holly sent our way, Sean. I am sure we can find submitted photos where the top lobe is not fully on the board...etc. also Dead fish is a bit different than a slight smudged identifier. Good response Sean. I am just venting some.

[1/24/21, 11:36:25 AM] Ben Day: Nailed it!

[1/24/21, 11:36:42 AM] Michael Ethridge : Did chris get dqed completely or just those fish

denied?

[1/24/21, 11:44:23 AM] Tommy Eubanks: We do need to talk about his response on the pics closed so no review until after the results are announced ??

[1/24/21, 11:45:54 AM] Tommy Eubanks: But that has nothing to do with the issue to dq him

[1/24/21, 11:46:47 AM] Michael Ethridge : I was just wondering

[1/24/21, 11:47:04 AM] Sean Rastanis: So he actually had two fish submitted before his phone went out. So he still got points for Aoy and the wildcard. The remaining fish were DQed

[1/24/21, 11:48:46 AM] Tyler Caldwell: I've brought this issue up twice in the past that we needed to have a protest period after the pics were released, just sayin! Kinda like people watching fish be weighed and being able to protest how that was handled

[1/24/21, 11:49:08 AM] Michael Ethridge : I do think we need to adapt the rule about submitting protests

[1/24/21, 11:49:51 AM] Sean Rastanis: Protesting your own fish.

[1/24/21, 11:50:11 AM] Jonathon Carter: What about others fish?

[1/24/21, 11:50:14 AM] Sean Rastanis: But If we allow anglers to start protesting everyone else's fish it could be a cluster

[1/24/21, 11:50:55 AM] Sean Rastanis: We already have a judge And two tournament directors looking at it. And if there's another question it goes up to Josh or the board

[1/24/21, 11:51:32 AM] Sean Rastanis: But if we got someone like Jack examining each picture in detail and protesting we'd have a long day

[1/24/21, 11:52:24 AM] Sean Rastanis: Hobie doesn't do it in their tournaments and I'm not aware of any other big circuit allowing it? Does anyone know if that's allowed anywhere else?

[1/24/21, 11:52:27 AM] Tyler Caldwell: I think if a TD or a judge misses something, something that is against the rules. It is our right to fix it. Not just say "oh well sorry we missed it"

[1/24/21, 11:52:42 AM] Jason Bain: image omitted

[1/24/21, 11:52:43 AM] Sean Rastanis: Yes correct.

[1/24/21, 1:36:40 PM] Josh Thompson: Thanks guys, for all taking part in this discussion. I stand behind our Tournament Director's and the rest of you guys on this. I believe we just have a disgruntled angler. I'll also admit that when I started hearing about this, I got really frustrated and was thinking "here we go again! 2020 on repeat." But, reading everyone's comments reminded me that we have an outstanding group of Officers this year. This seems to have been handled without an argument. I really do appreciate all of you.

[1/24/21, 1:37:38 PM] Josh Thompson: Let me know if I need to have a discussion with Chris or send him our decision in writing.

[1/24/21, 1:37:58 PM] Sean Rastanis: I told him that you would text him later. I wanted him to calm down a bit

[1/24/21, 1:38:32 PM] Sean Rastanis: I already explained the basis of our decision and it was the right decision in my opinion. We are not here to try and disqualify fish

[1/24/21, 1:40:04 PM] Josh Thompson: Ok, thanks Sean.

[1/24/21, 1:50:54 PM] Jason Bain: Thanks Sean

[1/24/21, 1:55:30 PM] Tyler Caldwell: Agreed Josh. Also just went to read how our rules were written regarding identifier.

"- The 3-digit tournament identifier code must be visible in the picture (written on a card or the back of your hand). If written on a card, it may be placed on the back of your hand, or

next to the fish, BUT not on the fish."

Technically the rules don't mention anything about legibility, only says visible.

[1/24/21, 1:56:04 PM] Tyler Caldwell: If the dude wants to brag about fishing 150 cpr tournaments then he even more so shoulda known better bringing in dead fish to photo at the end of the day too by the way

[1/24/21, 2:13:03 PM] Jason Bain: 🤔🤔🤔

[1/24/21, 2:13:58 PM] Jonathon Carter: No kidding

[1/24/21, 2:24:57 PM] Ian Gileski: Tyler, bringing the heat once again!

[1/24/21, 2:25:08 PM] Ian Gileski: Love it! 😊

[1/24/21, 3:01:55 PM] Tyler Caldwell: Who has the left over MC baits

[1/24/21, 3:02:12 PM] Sean Rastanis: I do

[1/24/21, 3:02:52 PM] Tommy Eubanks: I gave 2 packs to Josh

[1/24/21, 3:03:24 PM] Tyler Caldwell: Tim Neal missed the tournament due to health problems but has requested if he could get his package of baits from us at a later date

[1/24/21, 3:03:46 PM] Sean Rastanis: I'm ok with that

[1/24/21, 3:06:55 PM] Ben Day: Who's prefishing for the double day duel this week 😊

[1/24/21, 3:07:07 PM] Jonathon Carter: Too soon lol

[1/24/21, 3:07:14 PM] Jonathon Carter: The weather is perfect today though

[1/24/21, 3:07:50 PM] Josh Thompson: Tyler, 2 packs are in the door of my truck. Where does he live?

[1/24/21, 3:08:10 PM] Ben Day: Hahahaha! I can hardly walk around the house. Gonna work on sponsors for paddlepalooza this week

[1/24/21, 3:15:39 PM] Tyler Caldwell: He lives down the bayou somewhere, Houma area I think. He's been fishing almost every tournament so maybe we can catch him at the next one

[1/24/21, 3:16:01 PM] Tyler Caldwell: I just finished PayPal-ing all the money for the winners

[1/24/21, 3:16:08 PM] Tyler Caldwell: How much do we owe Holly?

[1/24/21, 3:18:25 PM] Tyler Caldwell: TourneyX bill has been paid

[1/24/21, 3:19:05 PM] Josh Thompson: 👍

[1/24/21, 3:24:13 PM] Ian Gileski: If she judged over 500 fish its 200, otherwise 150

[1/24/21, 3:34:13 PM] Jason Bain: What was that wierd jig head called? Did anyone catch using it?

[1/24/21, 3:34:45 PM] Ben Day: Snap jig, yea I caught like 4 trout with it, but it should be called the snag jig holy cow

[1/24/21, 3:37:54 PM] Jason Bain: I just got home. Im beat. I left GM at 8am but had alot to do in BR before heading home. Looking forward to my own bed and a great shower. Had a blast with you guys.

[1/24/21, 3:42:28 PM] Ben Day: Tyler & Jonathan were the only officers time qualify? We going 100% this year!

[1/24/21, 3:42:57 PM] Ben Day: 🤔

[1/24/21, 3:47:20 PM] Jason Bain: image omitted

[1/24/21, 3:49:20 PM] Tyler Caldwell: That **** was so good lol

[1/24/21, 3:50:02 PM] Tyler Caldwell: good hanging with all of y'all again! Don't forget we have an officers meeting Monday night to review constitution and by laws by the way people

[1/24/21, 3:51:32 PM] Sean Rastanis: Uhhhh

[1/24/21, 3:51:43 PM] Sean Rastanis: Tomorrow night?

[1/24/21, 3:52:35 PM] Tyler Caldwell: Yeah

[1/24/21, 3:52:41 PM] Tyler Caldwell: Supposed to be I thought
[1/24/21, 3:52:48 PM] Ian Gileski: I had totally forgotten or didn't know about it...are you sending a meeting invite?
[1/24/21, 3:54:21 PM] Josh Thompson: Everyone got their markups?
[1/24/21, 3:55:44 PM] Josh Thompson: It really was a good time! It's nice getting to hang out with you guys. Nothing but women in this house driving me crazy! 🤪
[1/24/21, 3:55:53 PM] Jonathon Carter: What time tomorrow?
[1/24/21, 3:56:16 PM] Josh Thompson: 7?
[1/24/21, 3:56:21 PM] Josh Thompson: 8?
[1/24/21, 3:58:42 PM] Tyler Caldwell: Either one is fine by me. I'll read through them tomorrow and make some notes. And me or Ben can host the zoom meeting on the club account
[1/24/21, 3:59:15 PM] Ian Gileski: Either time for me is fine too
[1/24/21, 3:59:43 PM] Tommy Eubanks: What ever time is good for me
[1/24/21, 4:03:11 PM] Jason Bain: I'll look them over tomorrow as well. Ill set a reminder now
[1/24/21, 4:08:18 PM] Tommy Eubanks: Do any of y'all have a contact number for Dewayne Walley ?? I need to talk to him about an issue I have. I had his number but I just got a new phone and changed from an android to a iPhone and it got loss in the transfer.
[1/24/21, 4:08:43 PM] Tyler Caldwell: +1 (601) 497-0845
[1/24/21, 4:08:58 PM] Tommy Eubanks: Thanks
[1/24/21, 4:11:34 PM] Jonathon Carter: 7 would be better for me but I'm good with either
[1/24/21, 4:22:35 PM] Ben Day: video omitted
[1/24/21, 4:24:23 PM] Jason Bain: Thats cool
[1/24/21, 4:25:19 PM] Tyler Caldwell: Damn that was pretty cool
[1/24/21, 4:26:19 PM] Ben Day: That dolphins met his match on the west side of catfish 😊. Goes to show how shallow it was even with the west wind
[1/24/21, 4:27:48 PM] Josh Thompson: That's awesome!
[1/24/21, 4:29:32 PM] Ian Gileski: Too cool!
[1/24/21, 4:36:12 PM] Michael Ethridge : Not gonna be able to make the meeting tomorrow. We are headed out bell pass as I speak
[1/24/21, 4:41:01 PM] Josh Thompson: Do you know of anything particular you wanted to discuss? We can go over it and let you review.
[1/24/21, 4:41:29 PM] Michael Ethridge : Not really.
[1/24/21, 4:46:51 PM] Jason Bain: Michael. Text me those dates you told Eric last night from Bridgeside and ill fill in for you on that. Text me
[1/24/21, 9:16:20 PM] Tyler Caldwell: Jack has a new fishing report on the website. However I mentioned to him about making it members only content and he doesn't want it to be members only.
[1/24/21, 9:16:41 PM] Tyler Caldwell: Fresh content on the website is good whether it's members only or not though
[1/25/21, 8:49:03 AM] Sean Rastanis: Hey guys this is from Chris Murphy. He had issues submitting his fish through tourney x
[1/25/21, 8:49:26 AM] Sean Rastanis: image omitted
[1/25/21, 8:53:37 AM] Sean Rastanis: He also sent me these pictures
[1/25/21, 8:53:46 AM] Sean Rastanis: image omitted
[1/25/21, 8:53:54 AM] Sean Rastanis: image omitted
[1/25/21, 8:54:00 AM] Sean Rastanis: image omitted
[1/25/21, 8:54:05 AM] Sean Rastanis: image omitted

[1/25/21, 8:55:49 AM] Ian Gileski: So how did he get them in the live well?
[1/25/21, 8:55:56 AM] Ian Gileski: If he had no internet
[1/25/21, 8:56:34 AM] Sean Rastanis: I don't know.
[1/25/21, 8:56:46 AM] Sean Rastanis: I ran into him earlier that morning and he was having phone issues because his phone got wet
[1/25/21, 8:57:26 AM] Sean Rastanis: I'm trying to find out if he's a paid member. I asked him but he hasn't responded yet. If he's not a paid member then it really doesn't matter
[1/25/21, 8:58:21 AM] Ben Day: One of the pictures shows he had 2 bars of signal but no wifi connection next to it. I have an iPhone though....I thought he was a paid member
[1/25/21, 9:13:54 AM] Josh Thompson: Hey guy's, I'm about to respond to Chris Cocheran. Please read my response and let me know what you think.
[1/25/21, 9:13:59 AM] Josh Thompson: Hey Chris. Hope your travel home was safe. I wanted to touch base with you this morning and explain what all took place after Brendan taking your remaining pictures and emailing them. When we met at the launch, that was the first I had heard of the situation. I was not at a point where I could make too many comments and need to collect my thoughts. I understand The other Angler was trying to be helpful in getting your pictures in. Once all the information was presented to me, we placed it in front of all of the current Officers. It was unanimous that these fish were not acceptable per the rules and these fish only should be disqualified. I am truly sorry for the circumstances you faced.
As far as the picture you questioned about the identifier not being clearly visible, we hire an independent judge to review and rule on all fish. The judge accepted the picture. The Tournament Directors reviewed the pictures from the Angler after the protest was filed. This picture was accepted based on consistency with all of the Anglers photos. The "H" in "HGF" was fading. But I can see half of the "H" and the "GF" are clearly visible.
Please reach out to me anytime there are issues. I am merely a gatekeeper for the club. We have a Board of Directors (Officers) that I can bring any and all issues to. As far as the tournaments go, the Tournament Directors are there to develop and enforce the rules. When there are problems, they are promptly presented to the Officers so that no one person makes a ruling.

Thanks,
Josh

[1/25/21, 9:15:39 AM] Sean Rastanis: Perfect. Well said.
[1/25/21, 9:19:40 AM] Tommy Eubanks: Very good reply
[1/25/21, 9:21:33 AM] Tyler Caldwell: The live well may save the information on your phone locally if you are not submitting to leaderboard therefore would not need internet to do that. I can check with Dwayne to confirm
[1/25/21, 9:24:13 AM] Tyler Caldwell: He has a family membership
[1/25/21, 9:24:26 AM] Sean Rastanis: In fairness his wife texted me and told me he was having issues.
[1/25/21, 9:24:32 AM] Sean Rastanis: image omitted
[1/25/21, 9:25:36 AM] Tommy Eubanks: Dwayne is having another surgery this morning
[1/25/21, 9:25:58 AM] Tyler Caldwell: Good response josh
[1/25/21, 9:27:27 AM] Ian Gileski: Looks like she texted at 5:33pm?
[1/25/21, 9:27:58 AM] Sean Rastanis: She did
[1/25/21, 9:28:48 AM] Jonathon Carter: I think this is correct and could be what happened
[1/25/21, 9:28:52 AM] Sean Rastanis: If we could verify what time the pictures were taken I might be OK allowing those two fission

[1/25/21, 9:28:58 AM] Sean Rastanis: Fish in
[1/25/21, 9:29:34 AM] Ben Day: Yea I think his trout should maybe be consider to count so he doesn't get a zero, that's possible legitimate issue
[1/25/21, 9:29:59 AM] Sean Rastanis: It doesn't affect the payouts or the qualifying for the championship I just some points for AOY
[1/25/21, 9:30:05 AM] Sean Rastanis: And wildcard
[1/25/21, 9:30:44 AM] Ben Day: Exactly probably make his entire month too.
[1/25/21, 9:40:09 AM] Josh Thompson: image omitted
[1/25/21, 9:41:54 AM] Josh Thompson: Was the time stamp the issue on these fish for Cocheran?
[1/25/21, 9:44:09 AM] Ian Gileski: We need to discuss these one offs this evening I think. Part of the process is submitting fish...they can be submitted later, but before the deadline.... but must have the time stamp. If he did that then those fish should be allowed...the dead fish are dq'd. No question in my mind.
[1/25/21, 9:49:52 AM] Josh Thompson: I agree with you Ian. Just need the details on them.
[1/25/21, 10:18:32 AM] Jason Bain: Sorry guys I was in a meeting. Great response Josh
[1/25/21, 10:33:32 AM] Tyler Caldwell: I putting together some info on time stamps on his submissions for everyone to review. Also with permission I could possibly look at his gps coordinates to see if they were photographed in the marsh or at the launch.
[1/25/21, 10:34:47 AM] Ian Gileski: Thanks Tyler...hopeful you can get permission, Dwayne is having surgery again for that hernia
[1/25/21, 10:35:25 AM] Josh Thompson: Thank you Tyler
[1/25/21, 10:35:29 AM] Tyler Caldwell: No. I have access. I need permission from y'all to make sure your in agreement that this warrants viewing then. Otherwise I don't touch them
[1/25/21, 10:37:11 AM] Josh Thompson: I'm good with that if all Officers are.
[1/25/21, 10:37:48 AM] Sean Rastanis: I agree
[1/25/21, 10:41:52 AM] Tommy Eubanks: I agree
[1/25/21, 10:42:53 AM] Jonathon Carter: I'm good with it
[1/25/21, 10:43:23 AM] Jonathon Carter: I saw him taking some of the photos I'm pretty sure, it was in the lake far from the launch
[1/25/21, 10:46:55 AM] Tyler Caldwell: Ok so this is what we need
[1/25/21, 10:57:46 AM] Tyler Caldwell: I have 5 fish pics denied that show they were all taken between 12:36:40 and 12:36:59. Something seems up with that because that's a lot of pics to take in 19 seconds.

All 5 of those fish were submitted between 2:51:36 to 2:51:36. That seems weird too. Not sure how they all got submitted in 2 seconds.

All 5 of those photos have no map data with them. I'm assuming Brendan had his location services turned off on his phone when he took them. All 5 should not be accepted for that reason alone per the rules.

What I find interesting is that TourneyX allowed photos to be submitted and accepted without gps data. I didn't think that was possible.

We need the pic of the trout that he is saying he photographed when his phone crapped out. The original pic with metadata. It is possible to edit the metadata on a computer before a photo is submitted to accepting it at this point could be sketchy if he's that smart or tries

to cheat.

The redfish, we need to discuss if we should consider accepting it. If the answer is yes then I think he needs to provide a photo of that fish with metadata. Otherwise he would have broken another rule with that fish photo and it should be DQ'd.

[1/25/21, 10:58:27 AM] Tyler Caldwell: That should have read "between 2:51:35 and 2:51:36"

[1/25/21, 11:01:28 AM] Josh Thompson: The trout is not on TourneyX?

[1/25/21, 11:01:41 AM] Jason Bain: How did tourney x allow them without location data? It wouldn't allow me to submit without turning it on

[1/25/21, 11:03:04 AM] Tyler Caldwell: Were they texted to holly and manually entered maybe?

[1/25/21, 11:04:07 AM] Tyler Caldwell: It is but he submitted with photos at end of day that have no metadata. That's why I'm wondering if he's trying to say he has another photo of the fish right before his phone crapped out that he could send us

[1/25/21, 11:04:14 AM] Tommy Eubanks: Didn't Brenden call or send them to Holly ??

[1/25/21, 11:05:01 AM] Tyler Caldwell: I could get Brendan to send me the photos direct and let me check them out. Metadata could have gotten lost through all the shuffling of photos

[1/25/21, 11:05:30 AM] Tyler Caldwell: Can I call Brendan and find out what he did?

[1/25/21, 11:06:19 AM] Josh Thompson: If we are going to investigate, I think that would be fair.

[1/25/21, 11:10:04 AM] Tyler Caldwell: Brendan still has the originals and says he had location services turned on for them so he's going to send them all to me

[1/25/21, 11:10:25 AM] Josh Thompson: Ok

[1/25/21, 11:17:04 AM] Tyler Caldwell: Brendan says he cannot recall if both reds were on stringer or not but he does remember atleast one of them being alive for the photo

[1/25/21, 11:26:13 AM] Tyler Caldwell: All of the photos Brendan sent have map data at catfish lake boat launch and time stamps of around 2:32 ish.

[1/25/21, 11:28:28 AM] Tyler Caldwell: image omitted

[1/25/21, 11:32:24 AM] Jonathon Carter: I don't know Chris personally but if anyone can vouch for his character I would vote to accept the fish

[1/25/21, 11:32:41 AM] Tyler Caldwell: I don't know him either

[1/25/21, 11:33:01 AM] Sean Rastanis: All I know is he always keeps promoting that stankstick which I hate

[1/25/21, 11:33:15 AM] Jonathon Carter: I actually like the stank stick lol

[1/25/21, 11:33:31 AM] Sean Rastanis: But I think it would save us a lot of heartache if we accepted this fish since it's not going to qualify him and just not affect the payout

[1/25/21, 11:33:51 AM] Sean Rastanis: I just don't like the name Stankstick

[1/25/21, 11:38:32 AM] Tyler Caldwell: The trout he is wanting accepted, I think he will have to produce a photo that he took while he was on the water with an earlier time stamp. Otherwise he does not have proof that he photographed his fish prior to casting again

[1/25/21, 11:40:13 AM] Josh Thompson: I requested that email it to me

[1/25/21, 11:44:37 AM] Ian Gileski: Discussion tonight please before we send any follow ups.

[1/25/21, 11:46:48 AM] Josh Thompson: Absolutely

[1/25/21, 12:03:33 PM] Ben Day: I second this

[1/25/21, 12:46:19 PM] Josh Thompson: I just forwarded Chris's trout to Sean, Ian and Tyler's emails.

[1/25/21, 12:57:27 PM] Sean Rastanis: That trout has yellow eyes looks like
[1/25/21, 1:44:36 PM] Tyler Caldwell: image omitted
[1/25/21, 1:44:42 PM] Tyler Caldwell: image omitted
[1/25/21, 1:49:24 PM] Sean Rastanis: Where would that put him in the standing?
[1/25/21, 1:51:06 PM] Tyler Caldwell: That shouldn't affect our decision but hang on and I'll tell ya
[1/25/21, 1:52:36 PM] Tyler Caldwell: 30th
[1/25/21, 4:05:48 PM] Josh Thompson: Did we decide on a time tonight? I think Jonathan said 7 worked better for him. Everyone else said whenever.
[1/25/21, 4:36:06 PM] Ian Gileski: 7 works for me
[1/25/21, 4:36:29 PM] Sean Rastanis: Me too. Until 8
[1/25/21, 4:37:02 PM] Tommy Eubanks: Works for me
[1/25/21, 5:19:12 PM] Tyler Caldwell: I'm good with 7 til whenever
[1/25/21, 5:19:36 PM] Josh Thompson: Ok, let's try to keep this an hour. I know everyone has things to do and we were gone all weekend.
[1/25/21, 5:20:09 PM] Tyler Caldwell: Jon I emailed you a copy of the financial update for the club so you can include in your meeting minutes more easily
[1/25/21, 5:20:36 PM] Josh Thompson: Jonathan, if you can Mark up a copy and email it to all of us tomorrow for review.
[1/25/21, 5:21:05 PM] Josh Thompson: The constitution and bylaws
[1/25/21, 5:21:50 PM] Jonathon Carter: Thanks Tyler, and I have a copy of the constitution/bylaws to edit as we go through it
[1/25/21, 5:22:09 PM] Josh Thompson: Perfect
[1/25/21, 5:38:55 PM] Jonathon Carter: Has someone sent out a zoom invite for the meeting or is that my job?
[1/25/21, 5:38:56 PM] Jonathon Carter: Lol
[1/25/21, 5:39:37 PM] Josh Thompson: Tyler or Ben will do it about 5 minutes before we start
[1/25/21, 5:39:50 PM] Jonathon Carter: Good deal
[1/25/21, 5:39:54 PM] Josh Thompson: We can't have you doing everything! 🙏
[1/25/21, 5:42:00 PM] Jonathon Carter: Happy to help!
[1/25/21, 6:46:12 PM] Tyler Caldwell: Link sent via FB
[1/25/21, 8:12:51 PM] Tyler Caldwell: BCKFC Officer Meeting 1-25-21 Financial Report.pdf
• 1 page document omitted
[1/25/21, 8:27:31 PM] Jonathon Carter: I put the financial report in with the notes from tonight, should I wait until we reconvene to add more and post in the website?
[1/25/21, 8:37:49 PM] Tyler Caldwell: That's up to you, don't think it'll hurt either way.
[1/26/21, 8:50:14 AM] Sean Rastanis: Message to Chris cocheran this morning:
[1/26/21, 8:50:17 AM] Sean Rastanis: Chris we had a meeting last night to discuss your protest. After discussing, the board agreed by unanimous vote to approve your redfish but not the trout. The redfish was alive at the time the photo was submitted. I understand the trout was not. I am sorry you had issues with your phone on the water. I too had some issues trying to recharge my phone and it was a pain to deal with.
[1/26/21, 8:50:38 AM] Sean Rastanis: Message to Chris Murphy this morning:
[1/26/21, 8:50:41 AM] Sean Rastanis: Chris we had a meeting last night to discuss your protest. After discussing, the board agreed by unanimous vote to not allow your fish. The problem is that the fish were not submitted before 3:00. I understand That you had issues with your phone on the water and I'm very sorry that your fish could not be accepted. In the future if you experience a similar issue with submitting your fish, please text me or call

me. I can put you in touch with the judge who can manually input the picture. We try not to do that because it could overwhelm the judge but we do understand that there may be issues and we want every fish to be counted if possible.

[1/26/21, 8:50:53 AM] Sean Rastanis: Message to Eddie Tyre this morning:

[1/26/21, 8:51:05 AM] Sean Rastanis: Hey Eddie, I wanted to reach out to you again after the tournament. I am really sorry that your fish could not be accepted. We actually discussed your situation last night with all the officers and all of us were really disappointed that your fish was not counted. I wanted to talk to you more about this on tournament day but to be honest with you I was very aggravated with a number of things and was having issues with my phone and was quite honestly exhausted. Please feel free to call or text me if you have any concerns or would like to discuss further.

[1/26/21, 9:26:14 AM] Sean Rastanis: Chris cocherans response:

[1/26/21, 9:26:17 AM] Sean Rastanis: Yea I got an email that my red went into tourney x. This morning. I appreciate the time yall took on the matter. And looking forward to the next tourney. Thanks again to all yall

[1/26/21, 9:27:15 AM] Josh Thompson: Great job Sean! Thank you for taking care of this.

[1/26/21, 9:28:10 AM] Tyler Caldwell: Well atleast it seems he took it well. Just that red bumped him up from 45th to 35th so it helped him some on points

[1/26/21, 9:35:10 AM] Ian Gileski: Well versed messages Sean! Good job team!

[1/26/21, 9:39:23 AM] Ben Day: Great job! Everyone seems content

[1/26/21, 10:09:16 AM] Sean Rastanis: Chris Murphy's response and mine to his:

[1/26/21, 10:09:26 AM] Sean Rastanis: image omitted

[1/26/21, 10:10:38 AM] Ian Gileski: He would ha e had to come in early to submit by 3...common sense in my opinion. You dont HAVE to fish until 3.

[1/26/21, 10:19:14 AM] Sean Rastanis: Eddies response:

[1/26/21, 10:19:17 AM] Sean Rastanis: I understand, I felt bad for blowing up your phone during a tournament. Didn't even think about it until I ran into someone on the water asking them for a pen. I think it was Brenden (had a kid on the back of his yak). He reminded me to reach out to you. My biggest concern is that I submitted it within the first 1 1/2 hrs (7:35)but it didn't get denied until 11:34. So had I been kicking ass all morning I would've submitted a bunch of fish that didn't count before ever finding out. Though, I understand the mistake was my own fault and there was only 1 judge. Pretty sure this will never happen to me again though 🙄 I think Breck owes me a beer!

[1/26/21, 10:19:30 AM] Sean Rastanis: Thanks for reaching out though man, really appreciate it. It was really good to be on the water w you even for just a few minutes. Looking forward to the next one.

[1/26/21, 10:24:20 AM] Tyler Caldwell: The problem with Holly as a judge is the time zone difference. I think it's unacceptable to have fish getting accepted or denied 4 hours after they are submitted going forward. That's a long time

[1/26/21, 10:25:56 AM] Jonathon Carter: That is a good point

[1/26/21, 10:27:35 AM] Tyler Caldwell: It's still Eddie's own fault at the end of the day but the point of being alerted of denied fish is so you have adequate time to make adjustments if you aren't doing something right.

[1/26/21, 10:27:46 AM] Ben Day: I agree Tyler, when we had local judges last year it pictures were getting approved instantly I preferred that

[1/26/21, 10:36:49 AM] Ian Gileski: I think at most I was about an hour behind...I judged almost 500 fish that day I think

[1/26/21, 10:37:49 AM] Ian Gileski: Maybe we check with Dwayne and see if he recommends a CST time zone person

[1/26/21, 10:37:59 AM] Sean Rastanis: Tyler that is a great point. We need to tell Holly she is going to need to judge earlier or we need to find someone new.

[1/26/21, 10:39:16 AM] Tyler Caldwell: If I have to sit out any of the next 3 series events to judge, I'll do it. Would rather fish them but if it's best for the club i don't mind

[1/26/21, 10:40:01 AM] Jason Bain: Did she not start judging when the tournament started. No matter the time zone. If we pay for a judge shouldn't they be available on our tournament time in out time zone??

[1/26/21, 10:40:29 AM] Ian Gileski: Likewise for me...if I am unable to fish, and available, I dont mind either

[1/26/21, 10:40:36 AM] Sean Rastanis: Yes. I agree Jason.

[1/26/21, 10:40:54 AM] Jason Bain: If I'm not fishing one I can help judge also

[1/26/21, 10:41:11 AM] Ian Gileski: 🙌🙌🙌

[1/26/21, 10:48:25 AM] Tommy Eubanks: Sorry guys just seeing all these texts I fishing and had the phone in my dry box

[1/26/21, 10:49:24 AM] Josh Thompson: I also sent messages to our three guys after Sean's messages. Simply letting them know that we did take the time to evaluate their situations. And to please reach out to me or one of you whenever a situation comes up immediately. All responded positively.

[1/26/21, 10:49:41 AM] Ian Gileski: I like the irony of Mr. Tommy using a drybox... and Chris Murpheys reply due to a wet phone! What did ya catch Mr Tommy?

[1/26/21, 10:53:41 AM] Josh Thompson: This right here. We need a reliable judge. And I would prefer you guys get to fish. You already sacrifice enough.

[1/26/21, 11:03:26 AM] Tommy Eubanks: 20 bass in the box right now

[1/26/21, 11:03:49 AM] Ian Gileski: Nice!

[1/26/21, 11:05:07 AM] Ben Day: You and Tyler were the best judges we have had for tourney x no question all seriousness

[1/26/21, 11:05:17 AM] Josh Thompson: Nice!

[1/26/21, 11:07:09 AM] Ben Day: 😊

[1/27/21, 9:36:58 AM] Tyler Caldwell: Now that the new membership software is up and running, what's everyone's opinion on what we should do with the old forum?

I think we could just turn it off (no more logging in or posting). It would be a read only archive.

We could password protect the entire thing, and make the password to access it available to only club members. The whole thing would be members only for reading/researching purposes

[1/27/21, 9:43:22 AM] Ben Day: Sounds good to me! Hit the switch! 😊

[1/27/21, 9:47:54 AM] Josh Thompson: Sounds easy

[1/27/21, 9:48:41 AM] Tommy Eubanks: Sounds good to me

[1/27/21, 9:48:52 AM] Jonathon Carter: I like the idea of members only for reading the archived forum

[1/27/21, 9:52:00 AM] Ian Gileski: Agree as well

[1/27/21, 9:59:58 AM] Jason Bain: Agree.

[1/27/21, 10:03:05 AM] Tyler Caldwell: We just need to get some members content rolling on the website so it doesn't look so empty. I'm probably going to make a YouTube video explaining how everyone can access their account on the website so it's easier for the less tech savvy folks.

Members maps updates would be the easiest thing to knock out if we all teamed up I think.

[1/27/21, 10:04:43 AM] Ben Day: I talked to bill from tourney tag, he is giving us a 15% discount code for bayou coast members

[1/27/21, 10:05:14 AM] Tyler Caldwell: One option is to just do it in google earth and make a .kmz file that could be downloaded on the website. I tested it on the google earth app on the phone and it loaded into it easily too. That's a free option

There's also a cool option to embed it into our website like

this: <http://bayoucoast.com/kayak-fishing-maps> but of course it costs money

[1/27/21, 10:08:45 AM] Ben Day: How much money? Lol

[1/27/21, 10:09:16 AM] Tyler Caldwell: Idk I've just always heard it was expensive

[1/27/21, 10:09:32 AM] Tyler Caldwell: Wait

[1/27/21, 10:09:42 AM] Tyler Caldwell: Got my conversations crossed there lol

[1/27/21, 10:10:07 AM] Ben Day: I guess it's at worth getting a quote and having the information

[1/27/21, 10:11:46 AM] Tyler Caldwell: That expensive comment was related to you talking about a BCKFC app in our private convo lol.

For this maps deal it's a one time fee of \$39.99 for the software. But the unknown part is google charges you per use.

[1/27/21, 10:14:17 AM] Tyler Caldwell: Google gives you a \$200 credit every month that you can use for free. If it goes over that usage than they charge you. They claim that the free credit is more than enough to cover MOST uses lol

[1/27/21, 10:15:39 AM] Michael Ethridge : How much does it charge for each use?

[1/27/21, 10:15:42 AM] Ben Day: Interesting, can you see the history of how many times it gets used? Might be worth a 6 month trial period?

[1/27/21, 10:15:50 AM] Tyler Caldwell: I think they charge \$7 per 1000 uses. So if I'm understanding correctly the \$200 credit would cover 28,000 uses per month? No way in hell we would exceed that but I'm not sure if I'm understanding correctly

[1/27/21, 10:17:25 AM] Tyler Caldwell: Here is the link if anyone else wants to try to interpret it

[1/27/21, 10:17:28 AM] Tyler Caldwell: <https://cloud.google.com/maps-platform/faq#pricing>

[1/27/21, 10:18:01 AM] Tyler Caldwell: I see a \$200 free credit per month.

And I think we will need the dynamic maps which are \$7 per 1,000 uses.

[1/27/21, 10:25:51 AM] Ben Day: That's a huge selling point for members I think, especially when it gets updated. A lot of people new to kayak fishing don't realize all the places you can launch

[1/27/21, 10:31:03 AM] Tyler Caldwell: I just did some researching on other websites and found this explanation so I think I was right

[1/27/21, 10:31:20 AM] Tyler Caldwell: The new pricing strategy employed by Google for their Maps Platform is a freemium one – all users get to make \$200-worth of API calls for free each month. That works out as, for example: up to 28,000 free loads of Dynamic Maps

[1/27/21, 10:32:00 AM] Michael Ethridge : Yeah I'm down with this

[1/27/21, 10:32:03 AM] Tyler Caldwell: I don't think we will have that kind of traffic on them. So I think it would just be a 1 time fee of \$39.99 to set it up

[1/27/21, 10:32:55 AM] Tyler Caldwell: Worst case scenario if we see it's gonna end up costing more money than expected, we just cancel it and we are out 40 bucks

[1/27/21, 10:33:49 AM] Michael Ethridge : This can be a huge draw for membership

[1/27/21, 10:34:38 AM] Tyler Caldwell: I think we will be able to create the maps in google earth and then just import them to this software. So that'll help if we try to divide the areas up and all contribute

[1/27/21, 10:34:58 AM] Tyler Caldwell: I'm sure most of y'all know how to work google earth, it's pretty simple

[1/27/21, 10:36:05 AM] Tyler Caldwell: We could even go further than launches and list maybe popular lodging spots, live bait shops, popular fishing areas (not honey holes) etc

[1/27/21, 10:37:09 AM] Michael Ethridge : Yeah could be a big draw for sponsorships for listing shops and lodging

[1/27/21, 10:37:52 AM] Ben Day: That's a great idea!

[1/27/21, 10:39:43 AM] Tyler Caldwell: Put the \$39.99 cost to a vote and if everyone is on board then I'll start messing with it while work is slow

[1/27/21, 10:40:29 AM] Ben Day: I vote yes

[1/27/21, 10:40:47 AM] Michael Ethridge : I vote yes

[1/27/21, 10:41:41 AM] Sean Rastanis: Yes

[1/27/21, 10:41:50 AM] Tyler Caldwell: Yes

[1/27/21, 10:44:08 AM] Tommy Eubanks: Yes

[1/27/21, 10:51:25 AM] Jonathon Carter: Yes

[1/27/21, 10:52:09 AM] Josh Thompson: Yes

[1/27/21, 10:54:08 AM] Ian Gileski: Yes

[1/27/21, 11:36:38 AM] Tyler Caldwell: You know what else we can use this for that will be awesome

[1/27/21, 11:36:46 AM] Tyler Caldwell: Displaying tournament boundaries

[1/27/21, 11:37:25 AM] Josh Thompson: That would be awesome too

[1/27/21, 11:38:35 AM] Michael Ethridge : Just wondering Tyler is there any way to include tournament history to members? With the new software?

[1/27/21, 11:40:18 AM] Tyler Caldwell: Already done!

[1/27/21, 11:40:38 AM] Tommy Eubanks: That's cool

[1/27/21, 11:40:50 AM] Tyler Caldwell: image omitted

[1/27/21, 11:41:22 AM] Tyler Caldwell: Just gotta teach everyone how to access it

[1/27/21, 11:42:01 AM] Tyler Caldwell: and the board member button at the top will only be accessible by us, hoping somehow to incorporate posting meeting minutes and stuff there

[1/27/21, 11:46:42 AM] Tyler Caldwell: <https://bayoucoast.com/kayak-fishing-maps/>

[1/27/21, 11:47:33 AM] Tyler Caldwell: Software good to go now, pretty cool what all you can do with it. Custom categories and icons and stuff. We could make categories for each area, then narrow down by launches or live bait etc

[1/27/21, 11:48:21 AM] Tommy Eubanks: Do we have to set a new password or will the old one work

[1/27/21, 11:49:14 AM] Tyler Caldwell: Everyone's old username will be the same, but everyone will have to do the "forgot my password" once. After that shouldn't have to do it again

[1/27/21, 11:50:03 AM] Tyler Caldwell: I was able to transfer usernames and emails but not passwords since they are encrypted

[1/27/21, 1:39:42 PM] Tyler Caldwell: Anyone recall giving a board to Maverick Williams in the last 10 days?

[1/27/21, 1:42:37 PM] Sean Rastanis: Not I

[1/27/21, 1:46:45 PM] Ian Gileski: Jason...who was the last guy we gave one too...he

PayPal paid I think? It could be him.

[1/27/21, 1:48:07 PM] Tyler Caldwell: James collier or Justin Lang both paid online and picked up at MC I think

[1/27/21, 1:49:12 PM] Ian Gileski: We had some cash payments too

[1/27/21, 1:49:48 PM] Tyler Caldwell: I have the cash names all written down. I just see online we had a maverick purchased one on January 17

[1/27/21, 1:57:59 PM] Jason Bain: Yes. He has his board

[1/27/21, 2:23:22 PM] Tyler Caldwell: Thanks

[1/27/21, 4:21:52 PM] Michael Ethridge : Dang we been going through those boards

[1/27/21, 4:25:36 PM] Ian Gileski: Sold like 6 at MC

[1/27/21, 4:27:06 PM] Jason Bain: I need to take an inventory of what we have left.

Who's got what? I will check the trailer

[1/27/21, 4:27:32 PM] Jonathon Carter: I think have 6 or 7 at my house, just got offshore today

[1/27/21, 4:28:22 PM] Ben Day: I have 2 left. I sold one today and have the cash

[1/27/21, 5:13:05 PM] Tyler Caldwell: Yeah I need to update the inventory on the site since we had a bunch of cash sales

[1/27/21, 5:14:36 PM] Jason Bain: 27 in the trailer

[1/27/21, 6:25:09 PM] Ben Day: Jason how much do the bayou coast t shirts sell for?

[1/27/21, 6:42:57 PM] Jason Bain: \$10

[1/27/21, 6:44:57 PM] Tyler Caldwell: Nope, there's a new treasurer in town. \$11

[1/27/21, 6:45:00 PM] Tyler Caldwell: 🤔

[1/27/21, 6:58:21 PM] Ben Day: 😊

[1/27/21, 6:59:14 PM] Sean Rastanis: We sold one to Scott farrar. I think I have four at my house. I'll need to check

[1/27/21, 6:59:48 PM] Ben Day: One of our club members is currently in Iraq. Trevor Farkas, I have his address. Do we want to send over a care package from the club?

[1/27/21, 7:07:45 PM] Ben Day: Imma buy one next time I see you or have one around

[1/27/21, 9:44:49 PM] Michael Ethridge : Isnt colby doiga over there too?

[1/27/21, 9:56:42 PM] Ben Day: I'm pretty sure they are together with the 769th. Some tackle (even though they can't use it) and some shirts. Hoorags Would be awesome. They can probably take some cool pictures wearing bayou coast swag in Iraq, we can use on the website or the marsh & bayou article

[1/27/21, 9:58:19 PM] Michael Ethridge : I'm down with sending a couple of care packages to them shirt and facemask

[1/27/21, 9:58:35 PM] Tyler Caldwell: I'm good with sending them a care package. The hoorags are a little bright for desert camo though lol

[1/27/21, 10:03:25 PM] Ben Day: I bet they look cool after a month of them Iraqi dust storms 😊

[1/27/21, 10:04:13 PM] Michael Ethridge : So glad I never have to worry about another one of those

[1/27/21, 10:04:47 PM] Ben Day: I'll do some research and find out if Colby doiga is

[1/27/21, 10:04:54 PM] Ben Day: Where

[1/27/21, 10:05:19 PM] Ben Day: Never say never Hahahahahaha

[1/27/21, 10:07:14 PM] Ian Gileski: I love the idea.

[1/27/21, 10:07:36 PM] Michael Ethridge : I'm reaching out to him

[1/27/21, 10:07:51 PM] Ben Day: Perfect!

[1/27/21, 10:08:24 PM] Ben Day: Pretty sure they are together They did pre mob in fort

bliss 😊

[1/27/21, 10:09:38 PM] Michael Ethridge : 🤔🤔🤔

[1/27/21, 10:09:59 PM] Michael Ethridge : Still better than Polk though

[1/27/21, 10:13:47 PM] Ben Day: I was just thinking how exciting it would be to open a package and it something familiar from home. Even if they can't use a pack of matrix Shad or whatever in Iraq for a brief moment it's a reminder of what's at home. I'm betting both gonna hit tournaments hard when they get home too!

[1/27/21, 10:16:17 PM] Ben Day: Polk has great fishing & hunting in the box. Just gotta avoid the Pegasus lounge 😊🤖

[1/27/21, 10:17:25 PM] Michael Ethridge : 🐱🐱🐱🐱

[1/27/21, 10:29:49 PM] Tyler Caldwell: <https://youtu.be/CXwbv7EsvWM>

[1/28/21, 9:43:44 AM] Ben Day: Hopefully no one has any issues after this video!

[1/28/21, 6:03:08 PM] Ben Day: image omitted

[1/28/21, 6:12:27 PM] Ian Gileski: 👍👍

[1/28/21, 6:14:52 PM] Josh Thompson: Awesome

[1/28/21, 6:15:02 PM] Tyler Caldwell: Thanks Ben

[1/28/21, 6:15:47 PM] Ben Day: No problem, I've emailed about 60% of our current sponsors over the last 48 hours imma finish that list and then do follow ups.

[1/28/21, 6:16:12 PM] Ben Day: Also, how many tourney tags did the club want to get for the trailer like 20-25?

[1/28/21, 6:23:48 PM] Ian Gileski: I think we need more than that if we are gonna get rid of handwriting the code on the back of a hand

[1/28/21, 6:24:44 PM] Michael Ethridge : Are we trying to get away from wrighting on the back of your hand?

[1/28/21, 6:25:09 PM] Jonathon Carter: You missed some Michael lol

[1/28/21, 6:25:11 PM] Jonathon Carter: But yes

[1/28/21, 6:25:12 PM] Ian Gileski: It was discussed on Monday...when you couldn't make it

[1/28/21, 6:25:24 PM] Jonathon Carter: Missed some fun

[1/28/21, 6:25:27 PM] Ben Day: Yea you are always wet in south Louisiana, you either melting to death in the heat or sitting in rain

[1/28/21, 6:26:18 PM] Michael Ethridge : Yea I'll get caught up by josh as soon as I get off this dang boat

[1/28/21, 6:27:03 PM] Ben Day: Sounds like you need to go fishining soon! Imma try next week. Baby sitting depending

[1/28/21, 6:27:34 PM] Ian Gileski: Now, Now Ben..there are like 5 or 6 days in March or April that it is quite comfortable to fish...👉

[1/28/21, 6:27:48 PM] Michael Ethridge : Yea I havent been since the championship next weekend looking at making a run

[1/28/21, 6:27:48 PM] Ben Day: I just ordered 3 bags of one of the baits from Minimalist

[1/28/21, 6:28:02 PM] Ben Day: 😊

[1/28/21, 6:28:05 PM] Ian Gileski: Curly tail

[1/28/21, 6:28:20 PM] Ben Day: The pro twitch tail minnow

[1/28/21, 6:28:26 PM] Ben Day: I found it in pink 🐱

[1/28/21, 6:28:57 PM] Ben Day: That thing is a trolling machine

[1/28/21, 6:29:25 PM] Michael Ethridge : As good as matrix?

[1/28/21, 6:30:37 PM] Ben Day: I'm not a matrix guy, I have them but don't use them often. I ya captain lanes crazy minnows or whatever they called for paddle tails

[1/28/21, 6:31:27 PM] Ben Day: <http://www.ghostminnows.com/mad-mullets.html>

[1/28/21, 6:31:39 PM] Ben Day: Mad mullet* I was in the ballpark

[1/28/21, 6:38:32 PM] Tyler Caldwell: I need some Hit Sticks so I can go clean house on Dan's sheepshead tournament

[1/28/21, 6:43:27 PM] Michael Ethridge : He's letting people use live bait right?

[1/28/21, 6:45:48 PM] Ben Day: Yea you signing up right?

[1/28/21, 6:47:00 PM] Michael Ethridge : Maybe. Just kills me I cant fish my sheepshead hole in ms lol

[1/28/21, 6:58:12 PM] Ben Day: I don't know anything about sheepshead fishing. I kinda want to go to shell beach and upgrade my bass for masseys even though it's a mute point. But I might go to basons or golden meadow 😊😁. Gonna look at weather mid next week and see
